COURSE MATERIALS

Most online access fees, hard copy textbooks, workbooks, and materials are provided by the school and covered under the Student Enrichment Fee billed with tuition. The Course Materials Bulletin outlines any additional materials that families should purchase independently. These items may be purchased through the Saint Shop or your preferred vendor.

***The materials and prices indicated are those given by teachers and suppliers at the time of this posting; subject to change.**

TEACHER SUPPLY LISTS

In addition to the supplies in the Course Materials Bulletin, classroom teachers will post a list of the classroom supplies they require. Please visit the High School page on the Briarcrest website to view Teacher Supply Lists. These lists are posted during the summer break.
