American School of Yaoundé

Mini Giss Summit at ASOY

AMERICAN SCHOOL OF YAOUNDÉ

Mini Giss

The Association of International Schools in Africa (AISA) Global Issues Service Summit (GISS) motivates and encourages students to enquire about global issues and learn alongside other African delegates and change-makers. Student delegates spend time presenting, learning, sharing and discussing important issues during the summit, followed by a hands-on service learning day in the local community. GISS provides delegates with opportunities to strategise solutions to global issues, meaningful sessions and stories about positive change happening here in Africa, and support for taking action and engagement in their own communities. Our students at ASOY welcomed schools from Cameroon to participate in a Mini GISS summit on campus over the weekend.

60th Anniversary logo contest.

We would like to take this opportunity to express our gratitude to all the talented students who submitted their designs for the ASOY logo competition. Given the many impressive drawings and images that were submitted, the selection process was not easy.

After careful consideration, the Sharing Our Culture committee has finally chosen three designs that will be combined to form a 60th-anniversary logo. Please join us in congratulating Audrey (Grade 5), Elijah (Grade 5), and Gyn-Eun (Grade 5) for their outstanding submissions.

AMERICAN SCHOOL OF YAOUNDE

"ASOY Handprint Memory"

The ES Student Council has devised a plan for an extraordinary activity named "ASOY Handprint Memory" to commemorate our 60th Anniversary. Using paint and our handprints, we will create a unique piece of art on the ASOY walls, leaving a special memory of our time in the ASOY community.

"ASOY Handprint Memory"

“Almost there...”

AMERICAN SCHOOL OF YAOUNDÉ

Swimming Unit - Lifesaving

In the Middle school's Swimming unit, students acquired essential skills such as lifesaving, drowning prevention, swimming, water safety, lifeguarding, first aid, and emergency care. Recognizing the potential dangers of the pool area, mastering these skills equips all students to assist in case a peer encounters trouble.

The American School of Yaoundé
invites you
