BOOK WEEK

18th April- 22nd April

Book Week was celebrated in the Elementary school in April. During the week the Elementary Student council organised an Easter Egg hunt. There was the classroom door contest and tidy the classroom library competition. We have two virtual visits from authors plus various activities in the library and around the school. On Wednesday there was a Book Nic morning where middle and high school students read to elementary students. On Friday students dressed up as their favourite book character or wore green to celebrate Earth Day (22nd April). The images show the classroom doors and examples of reading around school.

BOOK WEEK

DP Art Exhibition March 28th, 29th and 30th

Careers Day - 21st April

Thursday, April 21 was Career Day at ASOY. Students in grades 8-12 participated in the event. We were honored to have guest speakers join us from a variety of professions: law, medicine/public health, water and forestry conservation, aviation, technology, hospitality management, marketing, fashion, art, and entrepreneurship. Some of our guest speakers travelled from other regions of Cameroon to join us, while others were parents from our own ASOY community. During the event, students joined small group panel discussions during which they listened to individual stories of work experiences and asked questions. The event concluded with a reception in the canteen, where students could interact with our guests. We are so grateful to our guest speakers for taking the time from their busy day to share their experiences and inspire our students!

Farewell to our Seniors - Class of 2022

Friday 22nd April marked the end of school for our Grade 12 seniors. Traditionally at ASOY the whole school celebrates this achievement. Once again banners and posters of well wishes were made by students to celebrate the last day of the class of 2022. The seniors will only return now for their exams in May, Prom and their Graduation. We wish them all the success and best for the exams. We will see you soon.

Farewell
— PARTY —

Class of 2022
in numbers

14 
number of students in class

\$622,000 

total amount of money offered to our students in scholarships

different nationalities in
the class
