

THE AMERICAN SCHOOL OF YAOUNDE

December Volume 4 AY 2021-2022

Happy Holidays

Mr Glittenberg – Director

Dear ASOY Community,

As 2021 comes to an end, I want to take a minute and thank you all, teachers, students, and parents. It has been a rewarding semester, with all the students on campus for F2F teaching, ASAs running in the afternoons, and canteen and bus services reintroduced. I feel fortunate to be a part of such a supportive and nurturing community. ASOY is a place I am proud to call home.

I wish you all a safe and healthy winter break and look forward to welcoming everyone back in 2022. I am sure that we are all looking forward to a new year.

I wish everyone a safe and healthy Holiday Season.

HAPPY HOLIDAYS TO ALL!!

Joergen Glittenberg
Director

Angel Tree

Thank you to the ASOY community for making the Angel tree another success and providing gifts for the children at the orphanage in Eyene.

A small group of students and staff delivered the presents and donations on Wednesday 15th December.

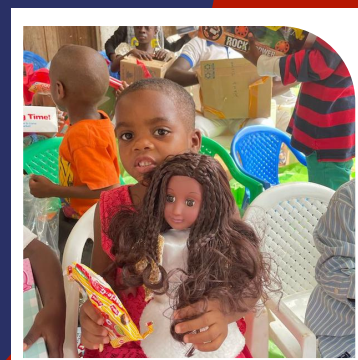

Trip To Eyene

By Akansa Enow

On the 15th of December 2021, Mr Glittenberg, Mrs Glittenberg, Mrs Mekeme, accompanied by three student council members and myself, took a heartwarming journey down to Eyene to wish the children from the C.A.E.S.E.D.A, an orphanage for hard of hearing children and the Catholic School of Eyene, a Merry Christmas. We were warmly welcomed by the children at the orphanage who displayed their many talents, such as dancing and even sign language poetry. Upon receiving the presents, which several members of the ASOY community donated through the angel drive, the children expressed their immense satisfaction and gratitude for not only the presents but for equally making them feel loved.

Our next stop was the Catholic school, where we delivered donations. We were received with lively drum beats, dances and chants from the young students. Our arrival was followed by a tour of the school campus, where we were able to see how the pivotal past donations and contributions from ASOY in the past had aided in ameliorating their learning environment. Though we were all left Eyene longing to spend more time getting to know the orphans and students, we left with a feeling of content, as this heartwarming experience allowed us to feel the true joy that lies in the act of giving and being of service to others.

Winter Concert

On Thursday 9th December, students and staff participated in a whole school Winter Concert. The event was streamed live through our Facebook page for families to watch worldwide. It was a hugely successful event. A special thanks goes to Mr Royston, our Music Teacher, for organising the event.

Performers' Program
