IB 5th Anniversary

This Month ASOY celebrates its 5th year as an IB school!

IB Virtual Conference

From Monday 18th October to Friday 22nd October, five staff members attended the IB Virtual Conference. Mr Glittenberg, Mr Barlow, Mr Doig, Ms Boribon and Mr Akundo all had the opportunity to attend the Virtual online workshops from DP, MYP, PYP to Leadership. The beauty of an online conference is that everyone could attend at their own pace in any time frame. Staff also did not need to miss any school. The staff attending can keep abreast with any developments and changes to the programmes, plus get the opportunity to network with other IB educators. All workshops were recorded and are open up December to go back and review again.

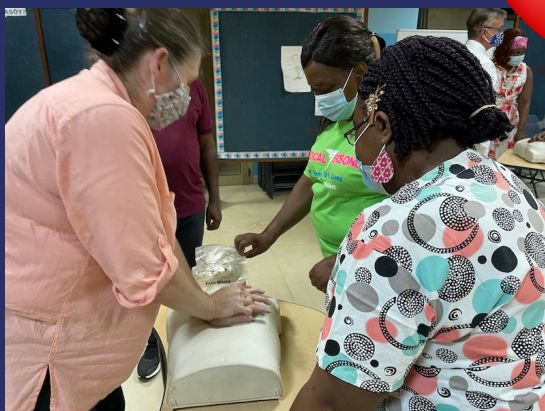

Photo Day – 20th October

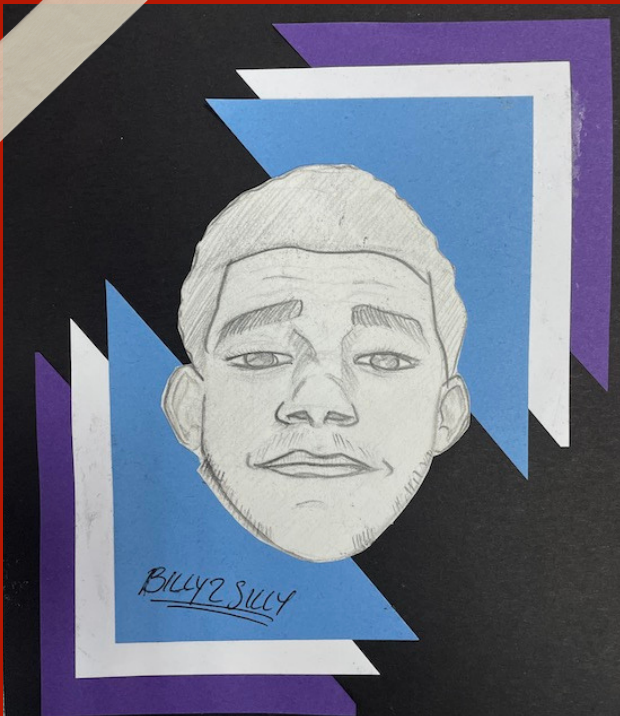

On Wednesday 20th October, the students had their pictures taken. These individual pictures are to be used in the Yearbook plus added to their profile on Managebac. Mr Doig took time from his busy schedule to photograph all the students starting from Pre K 3 to Grade 12.

Staff Cardiopulmonary resuscitation (CPR) training

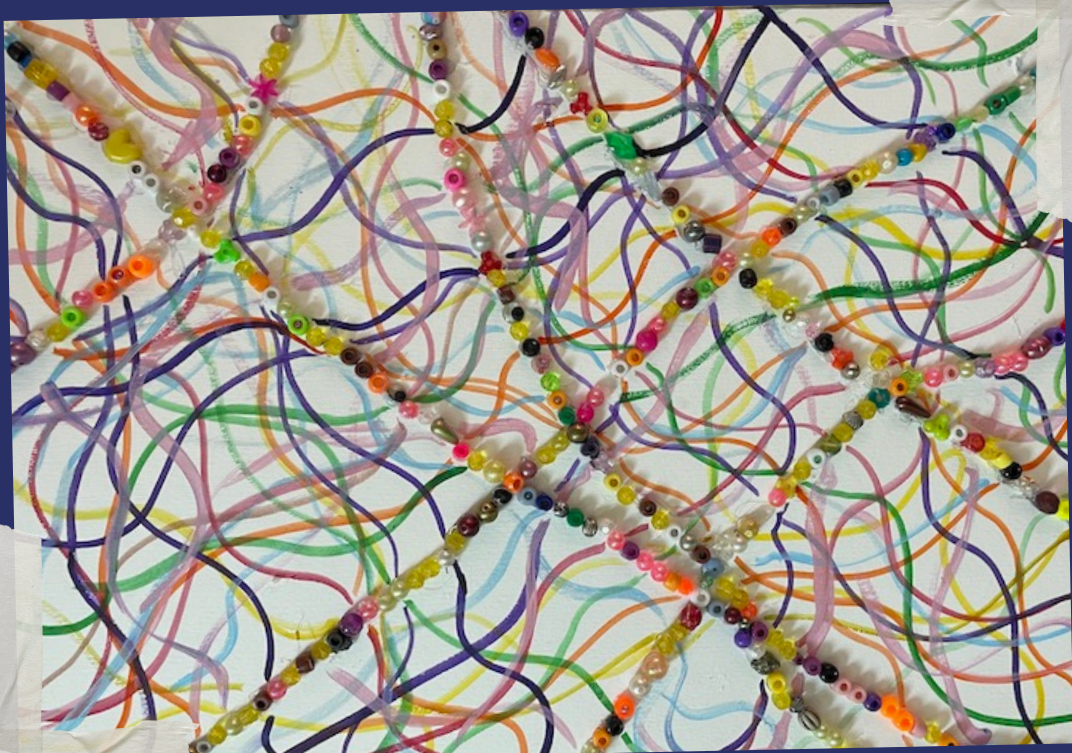

On Friday 22nd October some staff at ASOY took part in CPR training. This training session was kindly offered to us by the Medical team at the US Embassy. By the end of the sessions all staff will be fully trained in First Aid and Cardiopulmonary resuscitation (CPR). We are pleased that our staff will be ready for any medical emergency they may face.

HALLOWEEN

Friday 29th October 2021

On Friday 29th October, ASOY celebrated Halloween. In the morning, the Elementary students took part in a parade to show the school their costumes. Throughout the day, many classes took part in Halloween activities. In the afternoon, MS & HS participated in a Halloween event run by our very own STUCCO. Then at 1 pm, the HS students switched their attention to the Elementary school, where they chaperoned the students around the activities and through the terrifying haunted house. Lots of fun and laughter could be heard throughout the day.
