

Nebo Elementary School SCHOOL COUNSELING REPORT

Dr. Perry and Ms. Lawrence
2025-2026 School Year

Counseling Mission Statement:

The mission of the Nebo Elementary School counseling program is to provide equitable interventions and programming to remove academic, social/emotional, and career barriers so all students will be prepared to meet the challenges of their local and global community. The Nebo Elementary School counseling program provides a diverse, data-informed, and engaging comprehensive curriculum through classroom instruction, individual counseling, and small group counseling to meet the individualized needs of all students. We strive to create an inclusive environment that is welcoming to all students by being culturally sensitive, socially aware, and one that inspires lifelong learning. By collaborating with educational stakeholders, the counseling program advocates for students, provides needed resources, and engages students in learning so they can succeed independently.
