Enrollment & Registration

Enrollment for your student(s) takes place online via Skyward (our web-based service) or in person at the campus of assignment.

- **For students who are new to Mansfield ISD** - not enrolled in an MISD school on the last day of the prior school year:
 - New student enrollment for the **2026-27 school term** begins April 1, 2026 for Pre-K and Kindergarten and May 2026 for Grades 1-12.
- **Returning student registration** for the 2026-27 school term begins mid July 2026. An email will be sent to current families when enrollment officially opens.

Follow the instructions below for online or in-person options.

New Student *Online* Enrollment

To be classified as new to the district, a student must NOT have been enrolled in a Mansfield ISD school on the last day of the prior school year. In order to enroll your child as a new student in Mansfield ISD, please complete the following steps:

STEP 1: Find Your School. If you need assistance in determining which campus your child will attend, you may use the **Find My Bus System** to find your school or call the **Department of Transportation** (817) 299-6060.

STEP 2: Gather Required Documents. In order to enroll a student, you will need to make sure you have all the required documents. You may either scan the documents to your computer and upload them using our online enrollment system, or you may bring them to the school for copies to be made.

To enroll your child, you will need the following documents:

1. Parent/Legal Guardian's Government-Issued Photo Identification
2. **Proof of Residency** in the form of a current (*within the last 30 days*) electric, gas, water bill, or lease agreement. (*No other documents will be accepted—including, but not limited to, termination and disconnection notices*).
3. Student's Social Security Card
4. Student's Shot Record (must show child's name)
5. Student's Certified Birth Certificate (**Order a certified birth certificate at Texas.gov [Español]**)
6. If applicable, Withdrawal Papers and Records from the last school attended.

STEP 3: Review the instructions on the Online Enrollment Process. For detailed instructions regarding the online enrollment process, please view **our step-by-step instructions**.

STEP 4: Enroll Your Student. Completely new parents/guardians will get started by **creating an account**. Parents/guardians enrolling a new student with a sibling that is currently attending a Mansfield ISD school may skip to **Skyward Family Access** using their current account.

New Student *In-Person* Enrollment

*Before an in-person appointment can be scheduled, students **must start the enrollment process online**.*

Each school provides computer access and guidance for any parents who need to use a computer or need help with the online process. For more information, please **contact your school** to set up an appointment.

For more information regarding new student enrollment, please **contact your campus** or visit the links below. You may also e-mail us at **misdregistration@misdmail.org**.
