

AP French Devoirs d'été
JOURNAL D'ÉCOUTE

For this assignment, you will be required to LISTEN and LOG **30+ minutes** of French- related material outside of class EVERY WEEK- at least 2 different sources must be used per week.

Choose from the following sites and options then fill out **one row per activity**.

Music, Tik-tok and Netflix (sous-titres en français) all count!!! The point is to find things that are interesting to you but IN FRENCH. It is preferable that you do not skip weeks but put in a little bit of time EACH week- remember that the more you put into this, the more you will get out- “On récolte ce qu’on sème.”
