May 15, 2026

Dear Parents and Guardians,

As we approach the end of the 2025-2026 school year, all learners will be completing Final Exams, and some will be taking a NYS Regents Exam.

Please remember, all Final Exams and NYS Regents Exams are worth 12% of your child's Final Average for the class. Algebra I and Earth Science courses are High School courses that culminate in a NYS Regents Exam required for graduation.

Please review the attached *June 2026 Schedule* that outlines the assessments that will take place each day. The calendar has been created to ensure learners are not taking more than two assessments on the same day.

All Final Exams scheduled between June 11 and June 16 will take place in your child's respective class. **June 11 through June 16 are regular school days.** Learners will be following their regular bus and academic schedules.

June 17 through June 24 are testing days, learners will be following a different schedule. Please review the calendar to see when your child(ren) is reporting to the building for their Final Exam and/or Regents Exam.

Please review the attached *Adjusted Transportation Schedule* for June 17, June 18, June 22, June 23, and June 24. Again, please review the attached calendar to see when your child(ren) is reporting to the building on June 17, June 18, June 22, June 23, or June 24 to take an End-of-Year Assessment/Regents.

If you have any questions, please contact the Baldwin Middle School main office, 516-434-6201.

Sincerely,

2026 Finals Week Schedule
