

Warrior Day Camp 2026 Registration Packet

General Information

Warrior Day Camp (WDC) is staffed by a dedicated team of adults, college students, and high school students who are committed to creating a safe, engaging, and positive environment for all campers. The program is overseen by a certified teacher serving as Warrior Day Camp Manager, along with a Site Leader and Lead Counselor who coordinate daily operations and activities. All counselors are at least 16 years old and may include high school students, college students, parents, and retirees. Most staff members are certified in First Aid and CPR, and all are trained in EpiPen administration. Staff are expected to serve as positive role models and provide supportive supervision throughout the camp day.

Campers are grouped by age to ensure developmentally appropriate activities and maintain low counselor-to-camper ratios. While every effort is made to accommodate group requests, friend pairings—especially for trips—cannot be guaranteed.

Warrior Day Camp is open to campers entering preschool through 6th grade for the 2025–2026 school year. Campers must be at least 3 years old at the time of attendance and do not need to be enrolled in the district to participate.

Program Overview

Warrior Day Camp will operate for five weeks, from Monday, July 6 through Friday, August 7, 2026, at Dr. Gerald H. Woehr Elementary School. The standard camp day runs from 9:00 AM to 3:30 PM. Extended care is available from 7:00 AM to 9:00 AM (before care) and from 3:30 PM to 5:45 PM (after care) for an additional fee.

Campers will participate in a variety of structured and unstructured activities designed to promote creativity, social interaction, and physical activity. These include indoor and outdoor games, gym activities, arts and crafts, and free-choice play. Special themed days and in-house events led by guest presenters will also be scheduled, and families will be notified in advance of these activities.

Field trips will be offered throughout the summer at no additional cost for campers who are at least 5 years old on the day of the trip. A full trip schedule will be released at the end of June. Participation in trips is optional. Camp is staffed the full day on site, every day of camp, for campers not participating in trips.

A **Half Day Warrior Day Camp** option is available to campers participating in district programs such as ESY (Extended School Year) and the Basic Skills Instruction Program (BSIP), as well as campers attending New Egypt High School sports camps. Half Day Camp runs from 1:00 PM to 3:30 PM.

Before care for half-day participants is available **only for ESY and BSIP participants (not Sports Camps)**, and campers enrolled in before care will be escorted by staff to their respective programs at the Dr. Gerald H. Woehr Elementary School.

ESY and BSIP programs operate Monday through Thursday only. Campers participating in ESY or BSIP are not eligible to attend Warrior Day Camp field trips on those days. A full-day Warrior Day Camp option may be added for Fridays at the applicable per diem rate.

Campers attending sports camps may also enroll in the Half Day Warrior Day Camp; however, transportation is not provided. Sports camps conclude at 12:00 PM, and Half Day Camp begins at 1:00 PM. Guardians are responsible for picking up their child from the sports camp, providing lunch, and bringing them to Warrior Day Camp for the 1:00 PM start time. Sports camp participants may also add a full-day Friday Warrior Day Camp option at the applicable per diem rate.

After care is available to all Half Day campers, including those participating in ESY, BSIP, and sports camps, following the conclusion of the Half Day Warrior Day Camp.

Attendance and Health Policies

If your child will be absent or arriving after 9:30 AM, families must notify the camp by contacting the Warrior Day Camp Manager via ParentSquare or by calling 609-758-6800 ext. 3269. Whenever possible, notification should be made before 8:30 AM. Camp buses for trips will depart promptly and will not wait for late arrivals; however, campers who miss a trip may still attend camp on-site. Camp fees are not prorated, and refunds are not issued for absences.

Campers should remain home if they exhibit symptoms such as fever, vomiting, diarrhea, excessive coughing, sore throat, rash, head lice, or any contagious condition. Campers must be symptom-free for at least 24 hours before returning. A physician's note may be required for re-entry in certain cases.

Camp leadership staff are trained in First Aid and CPR; however, a nurse is not on-site. Camp staff are not permitted to administer medication, except in emergency situations involving EpiPen use. For the safety of all campers, any child requiring an EpiPen must provide two EpiPens to the camp prior to attendance. All EpiPens must be clearly labeled with the child's name and must not be expired. Limited arrangements for medication may be available under specific conditions during designated times, Monday-Thursday only. If a child becomes ill during the camp day, a parent or authorized contact must pick them up promptly. Failure to do so may result in removal from the program.

Drop-Off and Pick-Up Procedures

There is no transportation provided to or from camp. All campers must be dropped off and picked up by authorized individuals listed on the registration form.

Before care drop-off is available between 7:00 AM and 9:00 AM. Families should park in the rear lot of Dr. Gerald H. Woehr Elementary School and walk their child to the designated gym entrance doors. If staff are not present, families should call the camp number for assistance.

Regular drop-off takes place between 9:00 AM and 9:10 AM at the same location. Campers attending ESY or BSIP who are enrolled in before care will be escorted by camp staff to their respective programs. Half-day campers who are not enrolled in before care and are arriving for ESY or BSIP between 8:55 AM and 9:00 AM must enter through the main entrance doors of the school for those programs.

Pick-up begins at 3:30 PM outside the gym entrance. Authorized individuals must present a valid photo ID and sign the camper out with staff. Only individuals listed on the registration form will be permitted to pick up a child. Any changes to authorized contacts must be submitted in writing via email by the primary guardian.

Campers not picked up by 3:35 PM will be transitioned to after care and charged accordingly. After care operates until 5:45 PM. Late pick-ups beyond 5:45 PM will incur a fee of \$15 for the first 15 minutes and \$1 per minute thereafter.

For one-time pick-up changes, written permission must be provided in advance, including the full name of the authorized individual, who must present valid identification at pick-up.

Field Trips and Special Events

Field trips and special on-site events are included in camp tuition and are designed to enhance the camper experience. Campers must be at least 5 years old and fully potty trained to participate in trips. Trip schedules will be shared at the end of June.

Campers must arrive on time for trips, as buses will not wait. Participation is optional, and alternative on-site care will be provided. Trips may be rescheduled or canceled due to weather or unforeseen circumstances, and no refunds or credits will be issued.

Campers must bring a nut-free, disposable lunch on trip days unless otherwise specified. Food purchases are not permitted during trips. A nurse is not present on trips, and medication cannot be administered off-site.

Participation in trips is considered a privilege, and campers may be excluded due to behavioral or safety concerns.

Preschool Guidelines

Preschool campers must bring a full change of clothes and shoes in a labeled bag or container on their first day. A rest mat and comfort item may also be brought for afternoon rest time.

Preschool campers who are not fully-potty trained must provide gloves, wipes, pull-ups several changes of clothes no later than the first day they are attending camp. Being fully potty-trained is required for all trips.

Daily Preparation

Campers should be dressed for active, and often messy, indoor and outdoor play. Closed-toe shoes or sandals with secure heel straps are required. On water activity days, campers should arrive in their swimsuit and bring a towel and bag for wet items. All belongings must be clearly labeled.

Campers must bring a non-perishable lunch, two snacks, and a refillable water bottle each day. Additional snacks may be brought for before or after care. To help ensure food is spaced appropriately throughout the day, it is recommended that items be labeled (e.g., “morning snack,” “afternoon snack,” “aftercare snack”) for younger campers. The elementary school has a filtered water bottle filling station, and campers are encouraged to bring a refillable water bottle and drink water regularly throughout the day.

Refrigeration and microwaves are not available, so please pack food accordingly. The camp maintains a nut-free environment, and families **MUST** avoid sending any peanut or tree nut products. Failure to follow this policy could lead to removal from camp without a refund.

Behavior Expectations

Warrior Day Camp is committed to maintaining a safe, respectful, and inclusive environment. Campers are expected to treat others with kindness, follow staff directions, remain with their group, and participate appropriately in activities.

Unacceptable behaviors include bullying, aggression, dishonesty, property damage, and possession of prohibited items. Behavioral concerns will be addressed with families, and repeated or serious issues may result in suspension or removal from the program without refund.

Electronics and Personal Items

Electronic devices, including cell phones and smart watches, are not permitted for use during camp or on trips. If brought, they must remain turned off and stored in backpacks. The camp is not responsible for lost, stolen, or damaged items. Families are strongly encouraged not to send valuables.
