# Summer Camp 2026

EY3 - EY4

Welcome to ISS Summer Camp 2026! We are thrilled to welcome your children to another exciting edition of our Summer Camp, thoughtfully designed to provide a summer full of fun, discovery, and meaningful learning.

For our EY 3 – 4 students, the programme includes exciting partnerships with *Hajime*, *Natura Park*, and *Só Rio*, offering a wide range of outdoor activities. Besides that, for the days at the school, we also offer some workshops with external partners.

The weekly fee is 380.00€ per student / per week. This fee covers all activity materials, field trips, insurance, lunch, transportation and snacks throughout the day. **Please note that enrollments are open until June 30.**

Please note that during the summer camp, the school will be exceptionally open **from 08:30 to 17:00**, and that on external trip days, children will spend the full day outside school and lunch/snacks will be provided during the day. Please label all personal items, and any medication must be handed to the teacher with instructions.

Please feel free to contact our Summer Camp Coordinator for any further clarification through [c.gaspar@taguspark.sharingschool.org](mailto:c.gaspar@taguspark.sharingschool.org)

You may complete the registration in the following link: [Register Here](#)
