Natura Park | Escola do Mato

Location: Sesimbra Natura Park

Languages: Portuguese & English

Escola do Mato is a trademark of Sementancestral Unip Lda, Agente de Animação Turística 1124/2024, working with international schools for the past 10 years. They are a reference in Bushcraft and Survival training in Portugal, giving courses in the subject for the past 15 years.

Escola do Mato brings a different kind of experience:

- A fully immersive, team-based outdoor learning journey;
- Students live and learn as a group — building, cooking, solving challenges;
- Programs designed to develop autonomy, resilience, and collaboration;
- Camp becomes a shared space of exploration, creativity, and responsibility;

Our approach is ideal for groups looking to go beyond adventure — to foster real growth, reflection, and life skills in nature. And yes, we still include fun adventure elements — like canoeing, ropes or archery, but included in the narrative.

Sesimbra Natura Park is located in Herdade da Mesquita, about 10km away from Sesimbra Village, 6km away from Setyúbal and 25km from Lisbon.

Address: Estrada Nacional 378 Km 13.92970-000 Sesimbra 4 Km from Carrasqueira roundabout heading Lisboa, entrance to the right. 3 Km from the Traineira roundabout (Fernão Ferro) heading Sesimbra, entrance to the left.

Little Carpenters & Woodcraft

Location: International Sharing School Lisbon

Languages: Portuguese & English

Little Carpenters offers creative, hands-on woodworking workshops specially designed for children in EY 3 and EY 4. Through fun and age-appropriate activities, children explore creativity, problem-solving, and fine motor skills while building and decorating their own wooden projects.

All materials are included, and every child will be able to take home their personalised creations at the end of each workshop. Activities are safe, engaging, and adapted to the youngest learners.

Rita Rovisco Atelier

Location: International Sharing School Lisbon

Languages: Portuguese & English

Rita Rovisco Atelier offers creative and sensory artistic experiences designed to encourage imagination, self-expression, and exploration through art. Through painting, collage, and hands-on creative activities, children are encouraged to develop creativity, confidence, and artistic expression while learning through play and experimentation.

The atelier's philosophy is centred on freedom of expression, allowing every child to create, explore, and experience art in their own unique way.

Burros do Magoito

Location: International Sharing School Lisbon

Languages: Portuguese & English

Burros do Magoito brings unique educational experiences directly to the school, giving children the opportunity to connect with animals and nature in a fun and engaging way. Through interactive sessions with donkeys, children are encouraged to explore, learn, and develop empathy and respect for animals and the environment.

These hands-on experiences promote curiosity, teamwork, and outdoor learning while creating memorable moments for children.
