7th Grade Summer Reading List

Welcome to 7th Grade! 😊

We are so looking forward to being your Humanities teachers next school year. We hope this summer brings adventure and relaxation for you! We also hope to provide an opportunity for you to sharpen your critical thinking skills, enhance your vocabulary, and encourage a lifelong habit of reading.

Directions for Reading and Assignments:

As you read the novel, we strongly encourage you to **annotate** and take notes for each chapter. Annotating means writing short notes, underlining important parts, highlighting key ideas, or marking questions and reactions while you read. This will help you better understand the story and remember important details. During the first week of classes, we will discuss the book together.

Be prepared to talk about:

- the main characters
- the setting (where and when the story takes place)
- the plot (the important events in the story)
- any messages, lessons, or themes you noticed while reading

Happy Reading!
