5. PUBLIC COMMENT/COMMUNICATIONS WITH THE CITIZENS' BOND OVERSIGHT COMMITTEE

The Board of Trustees has established protocols that will allow the Board to conduct the business of the District while also achieving the type of open communication we all want in our community. The Board values the input of parents, students, employees, and other members of the public. Our goal is to allow the free exchange of views among Board members and its staff and between members of the public and the Board while maintaining a respectful and orderly atmosphere. The Board's policy is to encourage all interested individuals to contribute constructive ideas and perspectives during the meetings while respecting the right of others to express their ideas and perspectives. The Board welcomes disagreement, but it is important that disagreement be expressed meaningfully and respectfully. Speakers should not make personal attacks on other individuals. To promote these goals, we ask that everyone be courteous, patient, and respectful while others speak. Each speaker should feel free to express their viewpoint freely but politely and respectfully, speaking concisely and within the allotted time limits. Members of the public will not speak unless first recognized by the Board President/Chairperson and will speak only from the podium, not directly from the audience at any time.
