For School Year 2026-2027

RE: Parents' Right to Know Regarding Teacher Qualifications

To Parents/Guardians:

Your child is currently attending a Tracy Unified School that is receiving Title I Federal funds through the Elementary and Secondary Education Act (ESEA). As of the 2024-2025 (this) school year, all Tracy Unified Schools now qualify as ESEA Title I schools. Each school year, Districts and schools receiving Title I funds are required to notify parents whose student(s) attend a Title I school that they may request, and the District will provide the parents, upon request (and in a timely manner), information regarding the professional qualifications of the student's classroom teacher(s), including at a minimum:

1. Whether the student's teacher:
 - Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - Is teaching in the field of discipline of the certification of the teacher.
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to request this information, please contact the Tracy Unified School District's Human Resources Office at 209-830-3260.

Sincerely,

Michael Bunch, Ed.D., C.B.O.

Director of Continuous Improvement, State and Federal Programs
