

# Summer Reading

## BINGO

Dear Parents,

Attached, please find a summer reading BINGO card to use to help your child keep track of his/her summer reading. Please help your child fill in the number of minutes for each completed square on the card. Reading aloud to your child also counts.

Students return the card and the attached book log to their next year's teacher. All students who complete at least **3 rows** will have their names entered into a raffle to win an **Anderson's Books gift card!!**

All forms must be returned by **Friday, August 21st**. We will draw for the Anderson's gift card the following Monday on the announcements. Extra forms can be found on the school website.

We also encourage you to take advantage of the free summer reading program at the [Naperville Public Library](#). Head straight to the front desk at any NPL location to register your child starting on June 1st and work towards receiving different prizes throughout the summer.

Enjoy your summer and Happy Reading!

The Scott School Reading Team

Please consider the following steps when reading a new book with your child.

Have the child...

1. look at the cover and title and share what they think the book will be about. If you are reading an e-book, please preview the material (looking at title, subtitle, pictures etc.) and ask the same question.
2. look at the pictures/or what has happened so far in the book and make predictions about what is going to happen. If you are reading a nonfiction text, ask your child what he/she has learned up to that point.
3. use strategies to solve unknown words (use the beginning sound, tap or sound out the word, break apart the word in syllables to sound out the word, and think about what makes sense).
4. retell the story to you or explain what he/she learned.
5. record his/her reading on the Summer Reading Bingo card and log!

# Summer Reading
