Montgomery Ridge Intermediate School

FROM THE PRINCIPAL:

The faculty and staff of Montgomery Ridge Intermediate School would like to welcome everyone to an exciting new school year at MRIS! We would especially like to welcome our new 4th graders who will be attending MRIS for the first time. Listed below are some dates of interest that we wanted to share with you. These dates and other important dates can be found on our school website. We hope you will check regularly for the most up-to-date information.

RETURNING STUDENT DATA VERIFICATION and DEVICE DEPLOYMENT

Families of returning students in Maryville City Schools have already received an email with information regarding the on-line **Returning Student Data Verification** process. Our website will also include these directions. Completing this required step will reserve a laptop for your student at the start of school. Also, it is the easiest way to verify current information or to update information that is currently in our data for your child such as phone numbers, email, emergency contacts, medical info, etc. **PLEASE NOTE: Schools will need two proofs of new residence before an address can be changed.**

SUMMER READING PROGRAMS

MRIS is hosting a Summer Reading Program. Students are encouraged to read four books in their ZPD (reading range) and pass the AR test. Students who meet this goal will be invited to a Chick-Fil-A lunch when the new school year starts. During the lunch, there will be a drawing for a **Kindle** and other AWASOME prizes! There will be one drawing entry for EACH additional book read over four books.

AR quizzes will be available to take at home from May 25-June 18. After June 18, AR will not be accessible again until school resumes. Students will also have the option to complete AR tests during the first two weeks of school in August for their summer reading credit, so...

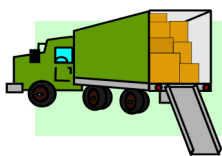

- 1) Read **FOUR** or more books this summer.
Books with 250+ pages are equal to 2 books
Books with 500+ pages are equal to 3 books
Books with 750+ pages are equal to 4 books
- 2) Record your summer reading on the log that can be found on the school's website under Summer Reading Program.
- 3) Be sure to return the reading log to MRIS the 1st week of school.
- 4) Get ready to party and possibly win some great prizes!

MRIS LIBRARY SUMMER HOURS 9:00am-11:00am
