The Hidden Dominion of Geordie James
is an inspiring coming-of-age story about an
anxious sixth-grader who loves nothing more
than exploring the wild and colorful worlds of
DOMINION, a popular video game, where you
can be who you want and create anything you
can imagine.

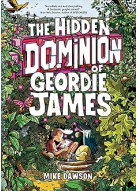

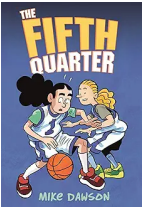

When his father forces him out of the house and
out into nature, Geordie discovers a strange and
secret place where not only does his game still
work... it somehow works **better**, setting him off
on an unexpected journey to discover new lands
and unlikely new friendships.

*****We’ve extended the deadline and added another graphic novel!*****

Author visits are a wonderful opportunity for young readers, writers, and artists to meet the creators of the books they read. Consider extending this learning experience through the purchase of an autographed book. (A percentage of the sales will benefit our HHSA).

This visit was made possible due to the generous support of the HHSA...many thanks!!

Orders now due Friday, May 22nd

	<p>The Hidden Dominion of Geordie James ***Just released*** Paperback \$16</p> <p>When Geordie becomes obsessed with the fate of a pig who escaped from a factory farm, the group project is put in jeopardy. As Geordie starts to push harder into difficult questions, he finds everything changing—his friendships, his ability to express himself, even how he plays his favorite online role-playing game, Dominion.</p> <p>Personalize for: _____</p>		
	<p>Fifth Quarter Paperback \$15</p> <p>Lori Block is dedicated to her fourth-grade basketball team, despite being relegated to an extra period before the real game starts, known as the fifth quarter, where the not-so-good kids play and the points don't count. That doesn't matter to Lori though, because working on her skills gives her hints of self-confidence, which is a nice break from feeling awkward and out-of-place in her daily life.</p> <p>Personalize for: _____</p>
