AGREEMENT

THIS AGREEMENT, made and entered into this day ____ of ____, 2026, by and between the Vista Unified School District, San Diego County, California, hereinafter called the District, and hereinafter called the Contractor for the _____

WITNESSETH: That the parties hereto have mutually covenanted and agreed, and by these presents do covenant and agree with each other, as follows:

1. THE CONTRACT DOCUMENTS: The complete contract consists of the following documents:

The Notice to Bidders, the Information to Bidders, the Accepted Bid, the General Specifications, and the Agreement, including all modifications thereof duly incorporated therein. Any and all obligations of the District and the Contractor are fully set forth and described therein or are reasonably inferable that any work called for in one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in said documents. The documents comprising the complete Contract are sometimes hereinafter referred to as the Contract Documents, or the Contract.

2. SERVICES, MATERIALS AND SUPPLIES: The contractor agrees to furnish the service or services, the item or items of the stated bid listed herein, and all transportation, service, labor, and material necessary to furnish and deliver same in good condition, in the manner designated in, and in strict conformity with the specifications and other contract documents, at the price or prices hereinafter set forth. Member districts shall not be responsible for the care or protection of any property, material, or parts ordered against said contract before date of delivery to the respective district. It is understood by the Contractor that all items or service will be promptly delivered to the District.

3. PAYMENTS. The contractor shall submit an itemized invoice in duplicate of materials and services at the delivery point and at the time the delivery is made. District shall pay contractor the full amount of each invoice within thirty (30) days of receipt. Contractor shall furnish District with a recap of items upon request.

4. TERMINATION FOR DEFAULT: If the said Contractor fails or neglects to supply or deliver any of said goods, articles, or service at the prices named and at the times and places above stated, the

District may, without further notice or demand, cancel and rescind this contract or may purchase said goods, supplies, or services elsewhere, and hold said Contractor responsible and liable for all damages which may be sustained thereby, or on account of the failure or neglect of said Contractor in performing any of the terms and conditions of this contract; it being specifically provided and agreed that time shall be the essence of this agreement. The foregoing provisions are in addition to and not in limitation of any other rights or remedies available to the District.

5. TERMINATION OF AGREEMENT WITHOUT CAUSE. DISTRICT may terminate this Agreement at any time by giving the Contractor thirty (30) days written notice of such termination.

Termination shall have no effect upon the rights and obligations of the parties arising out of any transaction occurring prior to the effective date of such termination. Other than payments for goods or services satisfactory rendered prior to the effective date of said termination, Contractor shall be entitled to no further compensation or payment of any type from the DISTRICT

6. DISTRICT'S RIGHT TO WITHHOLD CERTAIN AMOUNTS AND MAKE APPLICATION THEREOF: The District may withhold a sufficient amount or amounts of any payment otherwise due to the Contractor, as in its judgment may be necessary to cover defective items not remedied, and the District may apply such withheld amount or amounts to the payment of such claims, in its discretion.

7. EXTRA AND/OR ADDITIONAL SPECIFICATIONS AND CHANGES: Should the District at any time during the performance of the contract, request any alterations, deviations, additions, or omissions from the Specifications or other Contract Documents, it shall be at liberty to do so, and the same shall in no way affect or make void the Contract, but the cost will be added to or deducted from the amount of said Contract price, as the case may be, by a fair and reasonable valuation.

The estimated cost of a proposed change shall be established in one or more of the following methods:

- a) By an acceptable lump sum proposal from the Contractor.
- b) By unit prices agreed upon by the District and the Contractor.

No change shall be made in any specification of any item under the Contract unless a written statement setting forth the object of the change, its character, amount, and the expense thereof is first submitted to the District and written consent thereto obtained.

8. TIME OF COMPLETION: The Contractor shall begin performance of the Contract promptly upon due execution and delivery to the District of the Contract and Bond (if required). The Contractor is obligated to completely and satisfactorily perform the Contract within the period or periods specified in the Contract documents.

9. SAVE HARMLESS CLAUSE: The Contractor must save, keep, bear harmless and fully indemnify said District and any of its officers or agents from all damages, or claims for damages, costs or expenses in law or equity that may at any time arise or be set up for any infringement of the patent rights, copyright, or trademark of any person or persons in consequence of the use by said District or by any of its officers or agents, or articles to be supplied under this contract.

10. THE DISTRICT'S INSPECTOR: All items shall be subject to the inspection of the District. Inspection of the items shall not relieve the Contractor from any obligation to fulfill this Contract. Defective items shall be made good by the Contractor, and unsuitable items may be rejected, notwithstanding that such defective work and materials have been previously overlooked by the District and accepted. If any item shall be found defective at any time before final acceptance of

the complete delivery, the Contractor shall forthwith remedy such defect in a manner satisfactory to the District.

11. REMOVAL OF REJECTED ITEMS: All items rejected by the District at any time prior to final inspection and acceptance shall at once be removed from the place of delivery by the Contractor who shall assume and pay the cost thereof without expense to the District, and shall be replaced by satisfactory items.

12. DELAY DUE TO UNFORESEEN OBSTACLES: The parties to this Contract shall be excused from performance thereunder during the time and to the extent that they are prevented from obtaining, delivering, or performing by act of God, fire, strike, loss or shortage of transportation facilities, lockout, or commandeering of materials, products, plants or facilities by the government, when satisfactory evidence thereof is presented to the other party, provided that it is also established that the nonperformance is not due in part to the fault or neglect of the party not performing.

13. ASSIGNMENT OF CONTRACT: The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of this Contract or any part thereof, or any right, title, or interest therein, funds to be received hereunder, or any power to execute the same without the consent in writing of the District.

14. ATTORNEYS' FEES: If suit is brought by either party to this Contract to enforce any of its terms (including all component parts of the contract documents), and the District prevails in such suit, the Contractor shall pay all litigation expenses incurred by the district, including attorneys' fees, court costs, expert witness fees and investigation expenses.

15. CONTRACTOR IS NOT AN OFFICER, EMPLOYEE, and OR AGENT OF THE DISTRICT: While engaged in carrying out and complying with the terms and conditions of this Contract, the Contractor is an independent contractor, and is not an officer, employee or agent of the District or its member districts.

16. INSURANCE PERMITS AND LICENSES REQUIRED OF THE CONTRACTOR: The Contractor shall maintain insurance adequate to protect him/her from claims under workers' compensatory acts, and from claims for damages for personal injury including death, and damage to property which may arise from operations under the Contract in amounts specified in the Specifications. The Contractor may be required by the District to file with the District certificates of such insurance. The failure to furnish such evidence, if required, may be considered default by the Contractor. The contractor and all of its employees or agents shall secure and maintain in force such licenses and permits as are required by law, in connection with the furnishing of materials, articles, or services covered under this Contract. All operations and materials shall be in accordance with the law.

17. CONDITIONAL BID: The District reserves the right to reject any bid which imposes conditions, or terms, on purchases, which were not specified in the original bid document.

IN WITNESS WHEREOF, the District, by order of its Governing Board, has caused this instrument to be duly subscribed by the Secretary of said Board, and the Contractor has caused this instrument to be duly subscribed and executed, all on the date first hereinbefore set forth.

BUY AMERICAN CERTIFICATION

By the requirements of the Richard B. Russell National School Lunch Act's (NSLA) Buy American provision that school food authorities (SFA's) must follow these guidelines when purchasing food and food products for use in the Child Nutrition Programs. Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336) added a new provision, Section 12(n) of the NSLA (42 USC 1760(n)), requiring SFA's to purchase domestically grown and processed foods, to the maximum extent practicable.

Section 12(n) of the NSLA defines "domestic commodity or product" as one that is produced and processed in the United States substantially (greater than 51%) using agricultural commodities that are produced in the United States.

There are two situations which may warrant a waiver to permit purchases of foreign food products: 1) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality; and 2) competitive bids reveal the costs of a U.S. product is significantly higher than the foreign product.

If a supplier offers a non-American product, supplier must list the product below. Product is subject to be reviewed by District. District's decision on approval of foreign substitutions will be final.
