

Schoology Parent/Guardian FAQ

What is Schoology?

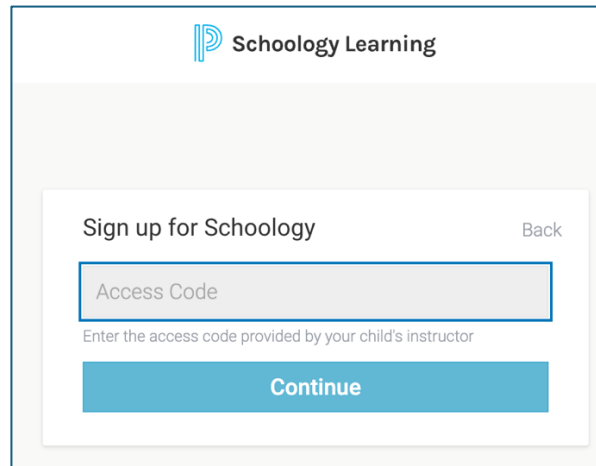

- Schoology is a website and learning platform students and teachers use to stay informed and connected to current courses.
- Teachers post assignments, readings, and reminders to each course. It provides a space to receive homework submissions digitally.
- Students access course content at any time through the website.
- Students stay organized with a calendar feature and reminders.
- Parents/guardians stay involved in their son's education with access to the website or app.

Access:

- You will access Schoology through the [Schoology website](#) or the Schoology Mobile App.
- Only parents/guardians of a child at Saint Thomas Academy will have access to a Schoology Parent account. You will receive a 12-character code near the beginning of the school year to register.
- The Schoology Parent Account gives you access and insight into:
 1. What classes your child is enrolled in.
 2. Your child's completed and upcoming assignments.
 3. School and class announcements.

Registering:

- Registering your account the first time:

How to Use and Navigate Your Schoology Account

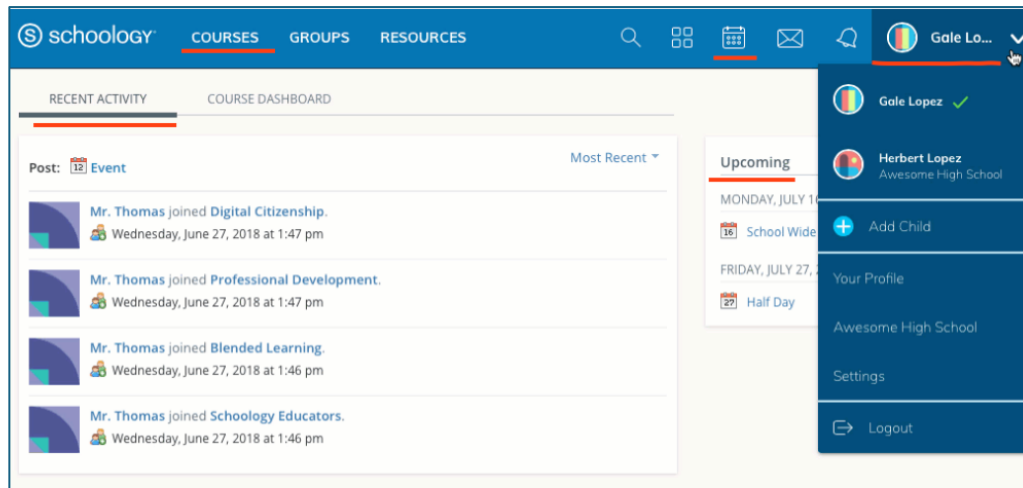

Getting Started with Schoology for Parents/Guardians

- After logging in, you can see the top navigation bar from anywhere in Schoology. On the upper left side of the bar, you can navigate to the three main areas of Schoology: Courses, Groups, and Resources.
- Clicking 'Schoology' brings you back to your home page - the landing page you see when you login. This is where you see your Recent Activity feed.
- Icons for messages, connections and notifications display in the top navigation bar, on the right; you can also click your name to go to your own Personal Profile. Everything is chronologically ordered and clickable to make managing them simple.

Viewing Your Child's Activity

Click on the arrow in the upper-right corner of your account and select your child's name to view his activity.

From the home page, you can quickly view specific information about your child's Schoology activity:

1. **Recent Activity:** The section in the center of the page displays all the events, updates, and reminders.
2. **Courses:** Found at the top of the page. You can see a list of your child's current courses. Click the course name to navigate to the course profile as your child views it.
3. **Upcoming:** The section on the right-hand side displays a list of your child's upcoming assignments and events.
4. **Calendar:** The icon at the top of the page. Click to view a calendar of past and upcoming events and assignments. To find out more information regarding a particular event, place your cursor over the title
5. **Name:** In the upper right-hand corner. It provides a dropdown menu to move between [multiple children at STA](#), [another school district](#), change settings regarding [notifications](#), or update your profile.
