

SUPPLY LISTS

WELCOME TO 6TH GRADE!

We're so excited to have you join us this year. Please remember that all summer work must be completed. You can find all the details and assignments under the "Students" tab on our school website, so be sure to check there if you haven't already. Additionally, please bring an agenda to class each day—it will help you stay organized and keep track of all your assignments and activities. Finally, Kleenex and hand sanitizer is always welcome and appreciated in our classrooms, so if you'd like to contribute, we'd be grateful! We can't wait to see you soon and start this exciting year together!
