OSHA CARD FOR CON103 PLA PROCESS

All West-MEC students who have a valid OSHA card *AND* have been admitted to Rio Salado College, can complete the Credit for Prior Learning Request Form and through Credit by Evaluation, be awarded one college credit for CON103 free of charge. Students may complete the process independently or request an appointment with their campus counselor. The RSC CTE Dual Enrollment Team is also available to assist.

Students should have their MEID and password ready in order to complete the PLA form. To reset password go to https://idme.maricopa.edu/ and use the students Maricopa email address which would be their MEID@maricopa.edu when asked to enter Email or Username.

1. To begin go to https://www.riosalado.edu/student-resources/testing-services/credit-prior-learning/credit-certifications-licensures-training
2. Complete the Credit for Prior Learning Request Form by clicking one the link.
3. Complete the necessary fields under section A. Student Information.
4. Move to section B. Required Documentation and using the drop down, select the Discipline (Applied Technology), Certification Category (OSHA), and Certification (OSHA 10 Card for Construction).
5. Attach acceptable documents to the Attach File link.
6. Student must click to electronically sign a signature.
7. Hit Submit Form at the bottom of the page.

MARICOPA
COMMUNITY COLLEGES

Credit for Prior Learning, Industry Recognized Credential, Certificates or Licenses

NOTE: Incomplete Forms will be returned for correction. If additional assistance is required, please contact the Testing and Assessment Department at 480-517-8560 or email riolearn.testing@riosalado.edu.

This form is used to apply for Rio Salado College course credit using previously completed certifications, licenses, or training.

All certificates or licenses must be current and valid. Credit earned using certificates or licenses is transferable within the Maricopa Community Colleges. It is strongly recommended that the candidate check with their college or university about credit transferability before requesting credit.

1. Credit is awarded only to certificate or degree-seeking students who:
    a. Plan to enroll, and
    b. Are admitted and matriculated within the college awarding the credit.
2. Associate degree-seeking students may be awarded no more than 45 credit hours through prior learning assessment. Bachelor degree-seeking students may be awarded up to 60 credit hours through prior learning assessment.
3. This is the list of Certificates and Licenses and the Rio Salado courses students can receive credit for.

A. Student Information

First Name: * Katie
Last Name: * Morton
