Ready. Set. Hired: Manufacturing

Get Trained. Get Interviewed. Get Hired.

Ready. Set. Hired: Manufacturing is an accelerated training program that quickly moves students from the classroom to the production floor. In just 8-12 weeks, students gain the skills needed for entry-level manufacturing careers. Graduates who earn the certification are guaranteed interviews with local employer partners upon successful completion.

Why Choose Ready. Set. Hired: Manufacturing?

- **In 8-12 Weeks, Gain Career-Ready Skills**
  This accelerated program is designed to quickly prepare you with the hands-on skills and industry knowledge employers are looking for.
- **Earn a Nationally Recognized Certification**
  Graduate with the MSSC Certified Production Technician (CPT) credential – the industry standard certification for manufacturing professionals.
- **Guaranteed Employer Interviews**
  Successfully complete the program and interview face-to-face with local manufacturing partners actively hiring entry-level production workers.

Take the Next Step Toward Your Manufacturing Career

Evening classes meet **Monday–Thursday, 5:30–9:30 PM** at the **MTC Airport Campus**. Limited scholarships and SCWINS funding available for eligible students. Students **must be 18** before program completion.

Graduates move directly into manufacturing career opportunities offering competitive pay and benefits, supported by strong employer partnerships and built-in industry connections.

READY. SET. HIRED. Manufacturing
