All proceeds from the Bishop Shanahan Endowment Fund Golf Outing support tuition assistance for Shanahan students. Thank you for your generosity and support!

The North Course is par 70, and features a trio of unique par 5's and a quintet of classic par - 3's. The five one-shotters vary dramatically in length and topography and each one of them traverses a unique compass angle.

The Old Course, with demanding shot values from the tees and the fairways, complements the North Course which offers wider playing corridors but requires a more exacting short game. *The Old Course is a walking only golf course.*
