KEEPING OUR KIDS & COMMUNITIES SAFE

DID YOU KNOW?

Kids are at greater risk of unintentional shootings over the weekend and during school breaks? **Be SMART** is a nonpartisan program to encourage us all to play our part in reducing harm from gun violence.

Start by having a conversation with friends, family members and caregivers -- anyone who has your child in their home or car. Ask them if they own a firearm and, if so, how it is stored. Gun ownership is a personal decision, and it's up to all of us to keep our children safe.

Get tips to have these conversations and information about secure gun storage at **https://besmartforkids.org or email jocobesmart@gmail.com.**

BE SMART
