CHECK IN/OUT PILOT PROGRAM

We are piloting a new check in/check out program in the Elementary School for the next few weeks. The program continues to assist us in our commitment to the safety and security of our students. We appreciate those who have been patient with us as we launched the trial run these past couple of days. **Please make sure you have your driver's license with you every time you come into the Elementary School.** You will need it to check in as a visitor and volunteer (even if you have been here before). If you are checking out a student you will need it EVERY single time. When you have other people checking your student out, other than parents/guardians, the office must be notified first and they also need their driver's license. Since we are still learning about this system, it is best practice to bring in your license every time, for any reason, so you don't have to walk back to your car to get it! Remember, you must be badged in, even to walk your kid down the hallway to class. Again, thank you for your continued patience and understanding as we all work together to keep our students safe!

KIDS' SPORTS CAMPS

Please follow this [SPORTS CAMP LINK](#) for the upcoming camps. All camps are put on by the high school teams and proceeds go to support them. All questions should be sent to the respective coaches or the FHS Athletics Secretary. You can also find each registration at the end of the Scottie Scoop.

DROP OFF REMINDER

Parents, please remember that you cannot drop your students off at the upper parking lot and have them walk down alone. Instead, please park at the upper parking lot and walk your children down to the sidewalk in front of the Elementary School. You may also drop them off along the curb down in the lower parking lot, within the coned drop off section.

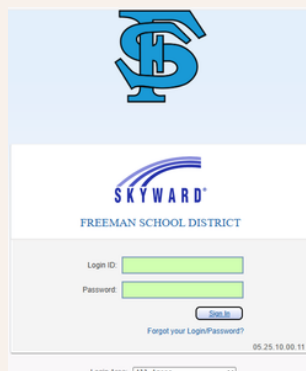

Enrollment for the 2026-2027 school year is now open for Transition to Kindergarten (TTK), Kindergarten and New Students on March 1st. Please note, Transition to Kindergarten students must be 4 on August 31, 2026 or earlier and Kindergarten students must be 5 on August 31, 2026 or earlier. Please call the FES Office to schedule your TTK and Kindergarten Roundup time (509) 291-4791. ****If you have a current TTK student, he/she does not need to go through Roundup, nor do they need to re-enroll.****

How to Deal With Disappointment
Life doesn't always go our way, and that can feel disappointing. Teach your child that it's okay to feel sad or frustrated when things don't work out. The most important thing is to accept the feeling and then move forward.

Try This: When a child is disappointed, say, "It's okay to feel sad about that. What can we do now?"

SALMON RELEASE OFF CAMPUS LEARNING ADVENTURE!

Thank you to Desiree Hendrickson (4th grade) and her husband Eric Hendrickson for bringing such an amazing project to our school every year. They bring salmon eggs for our students to observe and study as they develop. This year they gave all the kids a chance to watch them be released into the California Creek at the Valleyford Park. Desiree scheduled every grade to have an off-campus lesson at the park with different speakers and activities. Another big thank you to Richard Slover, our night custodian, who also manages the Valleyford Park. He did an exceptional job of cleaning the grounds so it was ready and beautiful for our students!

4TH GRADE FREEMAN FLOAT ARE WINNERS!

They did it again! Our 4th Grade Freeman Float won the Queen's Award at the Lilac Festival Armed Forces Torchlight Parade! The float is beautiful and the prize is well deserved. Great job to all of the students, the amazing parents and the float leader Susan Pray for all of the hard work they put into it!

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number: 67587.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the [Student Privacy Pledge](#) so you can rest assured that your information is safe and will never be given or sold to anyone.

Opt-In from your mobile now!

Just send "Y" or "Yes" to 67587.

*Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a text SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

If you've ever sent a text code for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions: Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/info for more info.
