## Safety ID Badge Policy

- According to CCSD policy, all students in Grades 6-12 must wear an identification badge while on campus.
- Students are to wear badges around their neck at all times while on campus. This is not limited to sporting events and school activities.
- All the information on the badge must be visible: photo, barcode, etc. No stickers are allowed on the front or back of the badge.
- ID Badge/Breakaway Lanyards only need to be purchased if the student does not have their original with them on campus. Students may use their PBIS points to purchase a new ID/lanyard.
- Students refusing to follow ID badge policy will have progressive disciplinary action for insubordination. Consequences are cumulative for the entire school year.

**DON'T FORGET**
