- By signing this Declaration of Intent the student recognizes that students who intend to enroll in CCP full time must enroll in a minimum of 3 classes per semester. If a student enrolls in both high school courses and CCP courses, they must be enrolled in a minimum of 5 classes per semester.
- By signing this Declaration of Intent the student recognizes that if they are a student athlete, they are responsible for maintaining their athletic eligibility.
- By signing this Declaration of Intent the student recognizes that grades earned through CCP(College Credit Plus) become part of the student's official high school transcript. CCP courses receiving high school and college credit are calculated into a student's grades and GPA and become part of their permanent college record.
- By signing this Declaration of Intent the student recognizes that students in CCP can be classified as "underperforming" if they earn less than a cumulative GPA of 2.0 in all CCP courses or have withdrawn from 2 or more courses in the same term. These students are placed on CCP Probation, can only enroll in 1 CCP course while on probation, and the course cannot be in the same subject as the course with low grades. If the GPA doesn't improve after one term, the student is dismissed from CCP. Further, if a student fails a course or withdraws from a course past the college deadline, the student may become financially responsible for the cost of the course.
