**and other AP Research students deemed appropriate by the AP capstone committee*

Alma Mater

*Sequoyah we pledge our loyalty to you
Sequoyah your strength and pride
come shining through
And as our goals begin to unfold
We turn our eyes to the Home of Black & Gold.*

*Sequoyah your halls of knowledge will remain
In our hearts, we will give honor to your name
And as we go through life we will look back
To Sequoyah High the Home of Gold & Black.*

*As we close this chapter and move on to greater things,
the SHS class of 2026 would love to express our
gratitude and appreciation to our families, friends, and
staff. We are so thankful for your support and care
towards our education. As we go our separate ways, we
will always remember the impact you had on us and the
lessons you taught us. We can't thank you enough for
everything! We love you, and GO CHIEFS!!*

"Take pride in how far you've come. Have faith in how far you can go. But don't forget to enjoy the journey."

— Michael Josephson
