# SEAN C. BURKE MEMORIAL AWARD

In memory of 1985 Automotive Technology and Cheltenham High School graduate, Sean Burke. Sponsored by the Burke family and presented to an outstanding EASTERN Automotive Technology graduating senior who will be continuing his/her education.

Sean's foundation at EASTERN opened his mind and doors leading him on the path to success. He was a mechanical prodigy, and he found the perfect fit in landscape contracting.

Sean and his brother, Kevin, began Burke Brothers Landscape Design in 1990.

## Wilson Sammis Memorial Award for Cosmetology

# THE WILSON SAMMIS MEMORIAL AWARD

Wilson Sammis was a proud graduate of Stratford High School in Connecticut. He went on to attend the Maine Maritime Academy and later earned his degree from the Florida Institute of Technology. He served two tours in Vietnam with honor and courage.

Following his service in the Navy, Wilson worked as an underwater welder along the Gulf Coast. He later settled in New Hampshire, where he worked as a machine operator and welder, and even built his own home by hand. Wilson had a deep love for working with his hands and spending time in nature.

This award was established by his family to honor his inquisitive mind, generous spirit, and passion for understanding how things work. They hope these grants will support each recipient in pursuing their goals and finding success in their chosen field of study.

# CHRISTOPHER A. LAROCHE MEMORIAL AWARD

Christopher A. Laroche was a 2001 Culinary Arts graduate.

After graduation, Christopher followed in his father's footsteps and became an Electrician.

After Christopher's passing in 2008, his fiancée, Crystal Koch and the Laroche family, established this award for one EASTERN Culinary Arts or Electrical Technology student.

Christopher leaves behind a legacy of kindness and helpfulness toward others, and the recipient of this award is chosen by the Laroche family with those qualities in mind.

*- Christopher Laroche, 2001 Culinary Arts  
and Abington High School graduate*

Awarded to:

Jackson Thomas

# SANDY WOERNER MEMORIAL AWARD

In June 2013, Stephen Woerner graduated from EASTERN's Culinary Arts program.

At EASTERN's Awards Night in May 2013, Stephen was the recipient of the Christopher Laroche Memorial Award. It was then that Stephen and his father, Robert, decided to establish the Sandy Woerner Memorial Award for a graduating Culinary student who will be continuing his or her education in college or has already obtained a job in the culinary field.

Sandy, Stephen's mother, passed away on June 2012, after a courageous battle with cancer.

"I look forward to EASTERN every day and work my hardest when I'm there.

This decision I made has been the best decision of my life.

I loved what I was doing at tech and I loved that I had found what I wanted to do.

It doesn't matter what you do in life, but it sure is nice to do something you like.

So, don't settle for something that isn't what you want. Work hard and set goals."

# DAVID G. KELBLE, JR. SCHOLARSHIP AWARD

David G. Kelble Jr., a son, brother, husband, father and friend to many, died tragically in December 2012. David was an avid skier, loved cars and trucks and was a huge Philadelphia Flyers fan!

David was a hero in many ways. He was a volunteer firefighter in Montgomery County, PA, for over 12 years. Ultimately, he was also a hero to a number of organ recipients as an organ donor.

This foundation was formed to keep David's legacy alive by serving the 1st responder community with:

- First Responder Safety
- First Responder Training
- First Responder Recruitment

# DAVID G. KELBLE, JR. SCHOLARSHIP AWARD

David G. Kelble Jr., a son, brother, husband, father and friend to many, died tragically in December 2012. David was an avid skier, loved cars and trucks and was a huge Philadelphia Flyers fan!

David was a hero in many ways. He was a volunteer firefighter in Montgomery County, PA, for over 12 years. Ultimately, he was also a hero to a number of organ recipients as an organ donor.

This foundation was formed to keep David's legacy alive by serving the 1st responder community with:

- First Responder Safety
- First Responder Training
- First Responder Recruitment

Awarded to:

David Phillips

## Ed Lambert Scholarship

*Presented by Stephen Plum, Sr.,  
President of the Abington Fire  
Company*

## Steve Plum, Jr. Memorial EMT Scholarship Award

*Presented by Ken Davidson, Assistant  
Chief, Second Alarmer's Association  
and Rescue Squad of Montgomery  
County*

## Stephen Plum Jr. 1983-2022

Steve was the epitome of a public servant. He was an EASTERN student in the Protective Services program from 2000-2002.

After graduating, Steve served honorably in the United States Marine Corps, he was a volunteer firefighter, a career EMT at Second Alarmers, and a highly respected K9 Officer with the Warrington Township Police Department.

At the time of his passing Steve was an active member of the Protective Services OAC.

Second Alarmers and the Protective Services OAC proudly present the 2026 Steven Plum Jr. EMS Training Scholarship to David Phillips.

**Wilson Sammis Memorial Award for  
Robotics and Automated Technology**

# THE WILSON SAMMIS MEMORIAL AWARD

Wilson Sammis was a proud graduate of Stratford High School in Connecticut. He went on to attend the Maine Maritime Academy and later earned his degree from the Florida Institute of Technology. He served two tours in Vietnam with honor and courage.

Following his service in the Navy, Wilson worked as an underwater welder along the Gulf Coast. He later settled in New Hampshire, where he worked as a machine operator and welder, and even built his own home by hand. Wilson had a deep love for working with his hands and spending time in nature.

This award was established by his family to honor his inquisitive mind, generous spirit, and passion for understanding how things work. They hope these grants will support each recipient in pursuing their goals and finding success in their chosen field of study.

Awarded to:

**Lelia Johnson**

# DR. REVA WINKLER VETERINARY SCIENCE AWARD

Dr. Reva Winkler completed her residency at the Kaiser Foundation Hospital in Los Angeles, after graduating from the UCLA School of Medicine. She earned a Master of Public Health from the George Washington University School of Public Health.

At the National Quality Forum, Reva's contributions to quality measurement advanced a wide array of projects to make healthcare better.

The individual selected for this award exemplifies the qualities that she championed.
