Regular Meeting
April 21, 2026,
Edgewood Administration Building
600 S. Edgewood Dr.
Ellettsville, Indiana

Pursuant to notice, the School Board met for their regular meeting. The Board member President Mr. Kerr called the meeting to order at 6:00 p.m.

ROLL CALL
Members Present: Mr. Kerr, Mr. Durnil, Mr. DeMoss, Mr. Tucker
Present: Dr. Sanders, Ferguson Law, Ms. May, Mr. Routon and many others.

Mustang Moment: Edgewood High School

VISITOR COMMENTS
None

Mr. Kerr opened the meeting up with some concerns and some questions about the new position of Psychologist in training. He was concerned about the new position and job description not going across the board before appointing someone to the position. He also had question about the degree they will be getting while working. Both Mrs. Barrett and Dr. Sanders explained how the grant works with getting a degree and that the grant will be paying for it. After a long conversation the board decided to approve the new position tonight and go ahead and appoint each person to the position. Mr. Kerr asked that in the future to make sure all new positions are approved by the board before appointing them and to also make sure that all new positions are announced to everyone with any perks to the position.
On a motion by Mr. DeMoss seconded by Mr. Durnil to approve the new position. Approved 4/0

RBBEA Comments

Ms. Abel, Every month I feel like there's something that just makes me feel just awe for our corporation. Those pathways are just so exciting. It is amazing how our high school continues to evolve like that. I just want to wish Katie Brookman, Micah Mobley and Rachel Mathias the best. I think our EPS teacher can attest to paying our retirees for subbing because we have Vicky Harding here with us tonight. It is a great program. I will be giving out things soon to try to recruit new people and get some new memberships. I am so appreciative of all these wonderful colleagues that I have here to recognize our HRS level one and we know how hard Matt and Elisa worked as well as all the other administrators. A very time-consuming task and we just appreciate all of you and just wishing everybody the best in these last few weeks.

Board Members' Comments

Mr. Durnil, I am really excited about the pool deck and of course the turf for the softball and baseball. Thank you, Arnold, for keeping track of that. I am really impressed tonight that all the EPS teachers stayed through this whole meeting. I really want to pat you on the back. Mr. DeMoss, I think this is the largest audience that Dr. Sanders has ever had for his report. Congratulations to EPS teachers and the administration for the level one accomplishment. Congratulations to Arnold for his award and well-deserved. Thanks to everybody for expressing sympathy with my family loss. I want to thank the volunteers, speaking of National Honor Society, some of them showed up for the MAG-7 kick off. Thank you to Boston Scientific for their donations. I encourage all the students to finish the year strong. Mr. Tucker, Thanks to the EPS folks for coming out tonight. Thanks again Kress on the HRS designation. I think a lot of EPS teachers were there that night. It is neat to see what all goes on. The Marzano thing has been around a long time. He kind of reinvented the wheel, but it just helps you reflect what you're doing. So thank you for doing that. Best of luck to all the spring sports and everybody be safe. Mr. Kerr, Mrs. Harding you never know what influence you teachers have on kids. My daughter had a son and because of Mrs. Harding she named her son Bo which is Mrs. Harding's husband name. She always loved that name. I appreciate everyone coming out tonight. I believe we can get through everything together. Just because we are so close I am sorry for Mr. Paulson to go. I love him and he is an outstanding man. He is an upright man, and he is great. I know there are many out there that do as well, and I get to say that because I can. I'm sitting up here. So, I wish you all very well and I hop you have a wonder evening.
