

ALEXANDRA COLLEGE DUBLIN

Transition Year Contract

2026 - 2027

The aim of Transition Year programme is to allow you:

- The possibility of growing and developing without formal assessment.
- To engage in activities and subjects that you may not have experienced before.
- To develop your social, personal and physical skills by taking part in a wide range of activities and academics.
- To engage in work experience and explore different potential careers for the future.

Alexandra College has high expectations of you as a Transition Year student. We will provide you with opportunities and experiences to develop a variety of skills.

To complete Transition Year and receive your certificate of completion you must contract with the school to fulfil the requirements throughout the academic year:

1. Develop work and study skills and habits which are directed by your teachers.
2. Portray positive and respectful relationships to both peers and staff alike.
3. Complete classwork, assignments, projects and deadlines on time and as instructed by your teacher.
4. Respect and obey the school rules and regulations.
5. Ensure an open mind and fully participate in new activities, trips and subjects.
6. Observe the attendance rules applied by the school in the same way as any other year.
