

Dear Parents:

The Trivium yearbook staff is already planning one of the most popular sections of the yearbook—the Senior Baby Ads. As the parents of a senior, we invite you to be a part of this special section. Along with picture(s) of your senior, we will include a personal message of congratulations from you. The proceeds from these ads help us to keep the cost of the yearbook to our students as low as possible.

Be sure to enclose a self-addressed, stamped envelope if you wish to have your photos/USB drives returned. Photos will be scanned and entered digitally into our page layout, however, we ask that you DO NOT send precious, irreplaceable photos. The original digital version or the original snapshot is the best source for reproduction. Digital images in the form of 300 DPI jpeg files may be submitted on a USB drive or brought to the school on a flash drive during school hours. Please do not plan to email images, as most email programs automatically reduce the file size.

We have three size options for you to choose from. Please note what each option includes. Your picture(s), the accompanying message, and check must be received by **Friday, October 9th, 2026.**
