

Dallas County High School

Vision

The vision of Dallas County High is for faculty, students, and stakeholders to consistently Strive Together to Improve the Next Generation by ensuring students achieve academic and professional success. (STING)

Mission

At Dallas County High School, our daily mission is to be “Fired Up”!

F: focused on academics and athletics

I: integrity on the field and in the classroom

R: responsible for myself and others

E: exceed expectations

D: determined to succeed

U: unified

P: practice these everyday

Beliefs

All students are capable of learning at high levels.

We believe every child has a right to a quality education.

We believe success is built through the collaborative efforts of all stakeholders.

We believe every child needs an adult advocate to provide a comprehensive support systems.
