San Bernardino County Committee on School District Organization

Attention: Jenny Owen, Director of Communications and Intergovernmental Relations, Acting Secretary to the San Bernardino County Committee on School District Organization

Dear Committee Members:

Please accept the following written comments by the San Bernardino County Flood Control District (SBCFCD) for Item Numbers 6 and 7 on the San Bernardino County Committee On School District Organization (Committee) agenda, dated May 20, 2026, regarding the Preliminary Public Hearing on the Committee's consideration of SBCFCD's proposal to the Committee to reorganize the Etiwanda School District and Alta Loma School District by transferring approximately 1,000 acres of territory, as set forth in Exhibit "A" of the SBCFCD Resolution No. 2025-236, from Etiwanda School District to Alta Loma School District.

On behalf of SBCFCD, we would like to express our appreciation for the Committee's consideration of SBCFCD's proposal in Resolution No. 2025-236. SBCFCD believes that as part of the request in Resolution No. 2025-236:

- 1) SBCFCD's proposal may be in the best interest of the students, parents, and residents of SBCFCD; and
- 2) The school districts may be able to achieve administrative savings from the transfer of the territory of Etiwanda School District into the territory of the Alta Loma School District; and
- 3) The reorganization of these school districts may be able to better serve the students of the existing districts, with the ability to provide enhanced educational and academic programs, and help to implement more efficient use of taxpayer dollars in educating students.
