"Good evening, it is hard to believe we are just six weeks away from the end of the 25–26 school year, as I highlight recent opportunities I had over the past few weeks to connect with our students, staff, and community.

My last Lunch and Listen visit brought me to Schaumburg High School. These conversations continue to be meaningful and I am ever so grateful for the honest feedback, thoughtful ideas, and shared moments along the way.

On April 2nd, the Administrative Center hosted the student art exhibit, featuring work from Higgins Education Center and North Campus. The level of creativity and expression on display was truly impressive. Our students even displayed their artist talents on coasters!

I had the privilege of speaking at the District 211 BIPOC Affinity Group meeting. It was an opportunity to share my educational journey, while also learning from staff whose diverse perspectives continue to strengthen our district.

As part of our ongoing efforts to build strong partnerships, I met with neighboring Village Managers just to touch base on what's happening in our communities. I also toured the Schaumburg Library, recently remodeled and now designed to inspire learning and exploration, while providing amazing opportunities for our community with the makerspace.

If you did not attend *Legally Blonde* at Fremd High School, you missed an outstanding performance. Our students delivered a production that truly showcased their talent. Thank you to our staff for supporting and guiding that work.

Finally, on April 14th, Schaumburg Township hosted its Open House and Annual Town Meeting. Prior to their meeting, it was great to take a tour and see so many community resources in one place, all focused on supporting families across our North Cook Suburb. Thank you!"
