2024–25 School Accountability Report Card

Reported Using Data from the 2024–25 School Year

California Department of Education

Address:	5800 Calpine Dr. San Jose, CA , 95123-3705	**Principal:**	Kellee Humphrey Butler, Principal
Phone:	(408) 225-6556	**Grade Span:**	TK-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

School Description and Mission Statement (School Year 2025–26)

Anderson (Alex) Elementary School is one of 18 schools in the Oak Grove School District in South San Jose, serving approximately 500 TK through Sixth Grade students. The school is rich in ethnic diversity, with 17 languages spoken by students. There are 5 special education classrooms, and 1 RSP classroom that meet the needs of approximately 95 students with unique learning abilities ranging from specific learning challenges to Autism. Anderson School is committed to working collaboratively with students, staff, and parents to provide a safe, positive, equitable, and supportive learning environment for students.

Students are taught and expected to engage in positive behavior practices following our PBIS mantra, "BARK" (Be safe, Academic, Respectful, Kind), to feel comfortable learning at school. We value the diversity of our students and believe that all children are to be valued for their unique gifts and experiences.

We have implemented inclusion practices for academic and social learning with an emphasis on meeting the Common Core Standards. Students are held to high expectations of academic and behavioral performance to achieve college and career

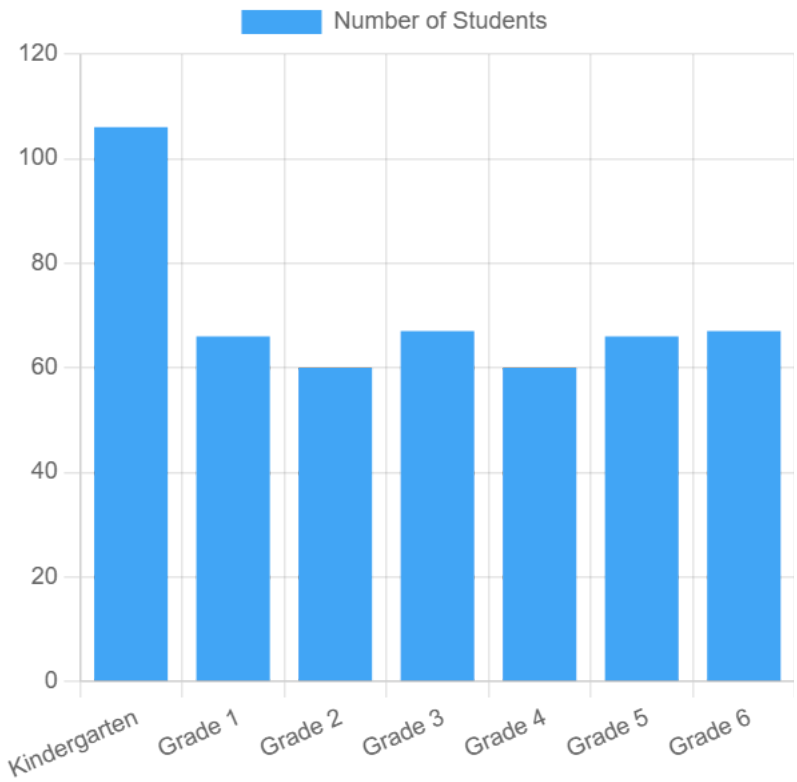

readiness. We believe that all children can learn with the proper support and guidance.

We use Professional Learning Communities to regularly analyze student performance data to determine next steps in ensuring the academic and social-emotional needs of our students are met. We have created a school-wide instructional focus to determine a clear path of instruction and accountability for all stakeholders involved in the success of our students. We strive towards continuous improvement and providing guidance to help students become self-directed, life-long learners, critical thinkers, and responsible citizens. We are committed to best practices and strategies that address student needs.

Our Mission: Anderson Elementary School is a positive and safe community dedicated to developing a comprehensive experience for our 21st-century learners.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2021–22)

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2025–26)

The district has a board adopted curriculum used by all Sites. The most recent curriculum adoptions can be found at:

https://www.ogsd.net/departments/educational-services/curriculum-instruction-and-assessment/core-curriculum-tk-8th-grade

The data on this page represents the curriculum indicated on the above mentioned website.

Each year, the district conducts a comprehensive curriculum audit certifying that all students have full access to all materials. Additionally, the state and county offices of education select random schools to undergo a visual inspection to determine that the curriculum materials were indeed satisfactory and accessible to the students.

Year and month in which the data were collected: August 2025

School Facility Conditions and Planned Improvements

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address the stained ceiling tiles, relamps needed, and repair a damaged conduit.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:

  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2023–24	School 2024–25	District 2023–24	District 2024–25	State 2023–24	State 2024–25

Mathematics (grades 3-8 and 11)	22%	29%	41%	43%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2025–26)

We encourage and welcome parents to join our community. We welcome and encourage parent participation with our Home and School Club. The Home and School Club elected officers continuously invite parents to join throughout the year. This group is primarily responsible for organizing fundraising opportunities to support students and staff.

Activities include, but are not limited to:

- Dinner Night Out
- Book Fair
- Evening Events
- Bulldog Jog

Other community-building engagement opportunities for parents include: School Site Council, District Advisory Committee, District English Learner Advisory Council, Hispanic Advisory Board for Learning and Assessment, and The Village (Focusing on African American/ Black Families). Parents interested in the above-mentioned respond to messages sent by the principal.

Parents may also volunteer in classrooms, chaperone field trips, and attend our Family Gallery Walks (end-of-unit open houses hosted by classroom teachers).

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2024–25)
