2024–25 School Accountability Report Card

Reported Using Data from the 2024–25 School Year

California Department of Education

Address:	285 Azucar Ave. San Jose, CA , 95111-2902	**Principal:**	Mrs. Karisa Gonzales, Principal
Phone:	(408) 227-7060	**Grade Span:**	K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

School Description and Mission Statement (School Year 2025–26)

At Edenvale, our vision is for our students to become not only college-bound and career ready, but also life-long learners, 21st century leaders, and productive global citizens. Our mission is to close the achievement gap by developing high-achieving students, effective communicators, and skilled problem solvers. At Edenvale School, we believe that every student can achieve at high levels. Therefore, a fundamental aim of our educational programs is to ensure that each student possesses the competence and confidence that would guarantee success at the next level. This plan is our roadmap for building and sustaining a strong and effective instructional core in every classroom. It is our articulation of the vision for student learning outlined in our district's Five-year Strategic Plan. Effective teaching, capable instructional leadership and strong relationships are crucial to realizing our community's hopes and dreams for student learning and development. This focus articulates the teaching practices, leadership practices and organizational practices that have become the norm throughout our school system. Our focus expresses our collective responsibility for student learning and motivates us all – school,

home, and community – to collaborate in ways that will turn our good intentions into strong results for students. OGSD's SPSA plan is in alignment with goals set forth and approved by the Board of Trustees in our Local Control and Accountability Plan and Learning Continuity Plan. At Edenvale, we have adapted to ensure that our students continue to learn at high levels. Our teachers maintain rigorous, relevant, and engaging instruction through google classroom and google meets. Students are expected to participate and meet grade level common core expectations. We work closely with educational partners throughout the district and analyze student performance data on an ongoing basis.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2021–22)

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2025–26)

The district has a board adopted curriculum used by all Sites. The most recent curriculum adoptions can be found at:

https://www.ogsd.net/departments/educational-services/curriculum-instruction-and-assessment/core-curriculum-tk-8th-grade

The data on this page represents the curriculum indicated on the above mentioned website.

Each year, the district conducts a comprehensive curriculum audit certifying that all students have full access to all materials. Additionally, the state and county offices of education select random schools to undergo a visual inspection to determine that the curriculum materials were indeed satisfactory and accessible to the students.

Year and month in which the data were collected: August 2025

School Facility Conditions and Planned Improvements

The campus is in very good condition with a few unique lighting issues.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2025

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2023–24	School 2024–25	District 2023–24	District 2024–25	State 2023–24	State 2024–25
English Language Arts / Literacy (grades 3-8 and 11)	21%	22%	46%	48%	47%	48%
Mathematics (grades 3-8 and 11)	14%	24%	41%	43%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2024–25)

Note: ELA test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative

Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2025–26)

Edenvale has many family engagement and cultural events, fundraisers, and communication tools. We strive to keep families informed and feel like welcome and valued members of our school community.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

School Safety Plan (School Year 2025–26)

The School Safety Planning Committee shall make an assessment of the current status of school crime committed on campus and at school-related functions and of appropriate strategies and programs that will provide or maintain a high level of school safety. (Ed. Code 35924.2) While the School Safety Planning Committee reviews school, district and community crime data trends such as the California Safe School Assessment, other data can bring value to the discussions. Such data may include: Mental Health Data State, District or Site Surveys (such as the Youth Risk Behavior Survey) Disciplinary Data Community Police Data Based on data analysis, the School Safety Planning Committee identifies one or two safety related goals for the next school year as well as the strategies and/or programs that will be used to meet those goals. The objective is to provide meaningful goals in order to improve the campus climate. The goals are reported, with the Safety Plan, to the Board of Trustees and are shared with the school staff and community. In order to keep the goals as a safety focus for the school year, it is recommended that at least three brief meetings be held to review data and progress. The progress can be reported to the School Site Council, staff, parent groups and the Board of Trustees.

Edenvale's 2025-2027 Safe School Goals are:

GOAL 1: Increase the percentage of students who feel safe and connected at school.

Strategy 1.1: Convene PBIS (Climate & Culture) Leadership Team Monthly to discuss survey and discipline data and determine action plans

Assessment 1.1: SCB Survey Fall and Spring

Assessment 1.2: PBIS Team Convening

Strategy 1.2: Proactive Circles

GOAL 2: School will update the ARCC to ensure adequate necessary supplies in the event of an emergency.

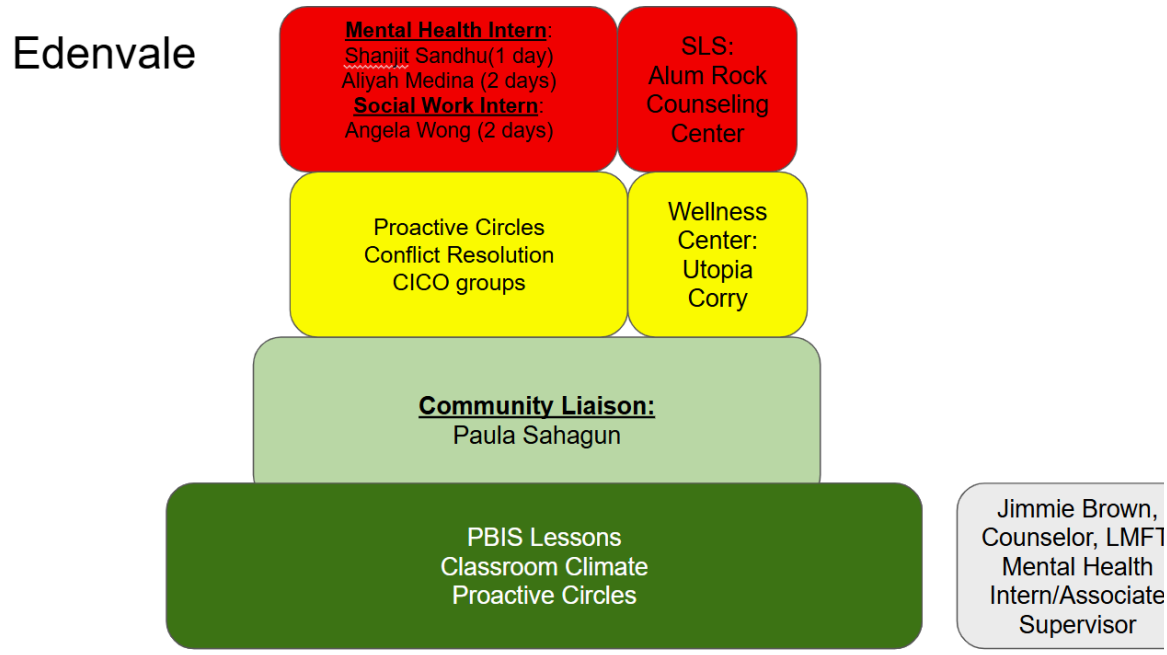

Strategy 2.1: Each class will receive a bin, along with a gallon sized zip top bag for every student. Parent letters will accompany the bags home, asking for snacks to be stored inside the ARCC.

Assessment 2.1: Confirm storage of classroom bings with zip top bags for every student by October.

Strategy 2.2: Updated materials include batteries and First Aid supplies

Assessment 2.2: Verify items have been delivered and placed in the ARCC by January.

GOAL 3: Provide mental health support for students.

Strategy 3.1: Mental Health Intern support for 3 days

Strategy 3.2: Wellness Center support 5 days

Strategy 3.3: Outside agency referrals for mental health support through School Linked Services for Alum Rock Counseling, Community Solutions

Assessment 3.1 through 3.3: Number of students being served by mental health support systems.

Strategy 3.4: Professional Learning Community focus on Morning Meetings

Strategy 3.5: Individual School Strategies, such as Calm Down Corners, Wellness Center, Community Circles, SEL Lessons through Nearpod

Assessment 3.4 and 3.5: Connectedness and Belonging Survey Results

The School Safety Plan was adopted by Edenvale's School Site Council on December 16, 2025. The year-end assessment should be completed in May and reported.
