2024–25 School Accountability Report Card

Reported Using Data from the 2024–25 School Year

California Department of Education

Address:	5955 Blossom Ave. San Jose, CA , 95123-4032	**Principal:**	Ms. Christy Flores, Principal
Phone:	(408) 226-1886	**Grade Span:**	5-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

School Description and Mission Statement (School Year 2025–26)

Herman Intermediate School and the AdVENTURE/STEM Program's vision is to create a 21st-century middle school that
engages students, staff and the community. We are devoted to providing an exceptional educational organization where, at the
core, we have a safe, respectful and responsible, student centered learning environment. We have created a rigorous 21st century

academic program balanced with the development of personal relationships between our students, staff, and community. Our

academic program focuses on common core instruction with an emphasis on project-based learning and the integration of technology.

We use our equity lens and the cycle of inquiry to develop high expectations for all students as we evaluate student performance

through our professional learning communities model as a vehicle for continuous improvement to adjust our instruction. We strive to

ensure that all students leave Herman as responsible, active, global citizens in the digital age, ready for college, career and beyond.

In order to meet the ever changing demands of student needs, Herman has a specialized program for students in grades 5-8 within our

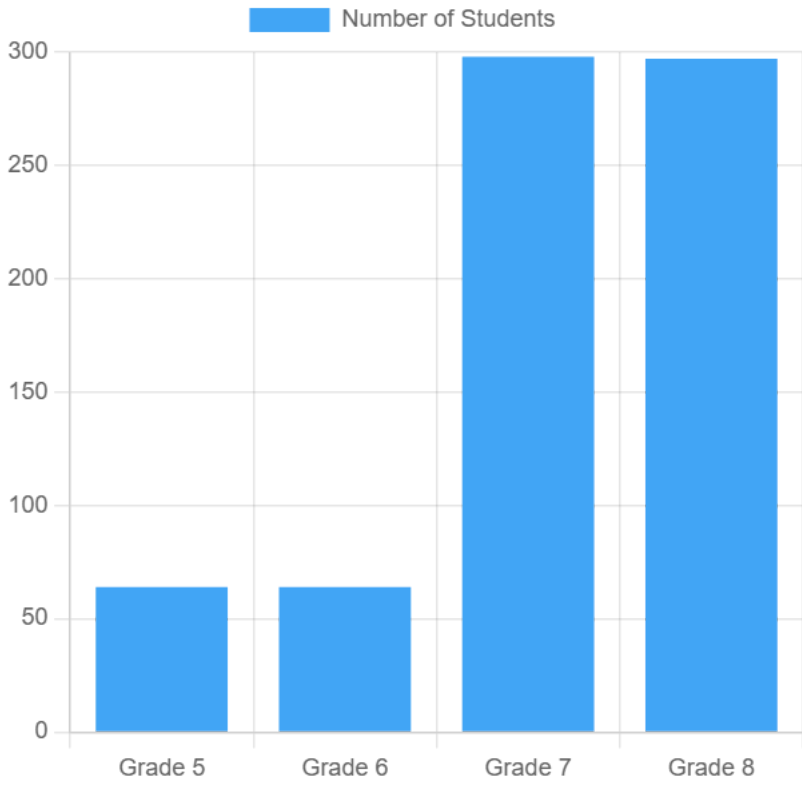

campus, focused on Science, Technology, Engineering and Math called the AdVENTURE program. The program supports students to

become lifelong learners, adept in the use of critical thinking and 21st-century skills through an integrated curriculum.

Our measure of student progress includes possession of high-level technological skills, critical thinking, problem-solving, accelerating learning for all student groups, acquisition of positive life-skills, self-responsibility, initiative, participation and collaboration in school activities.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2021–22)

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2025–26)

The district has a board adopted curriculum used by all Sites. The most recent curriculum adoptions can be found at:

https://www.ogsd.net/departments/educational-services/curriculum-instruction-and-assessment/core-curriculum-tk-8th-grade

The data on this page represents the curriculum indicated on the above mentioned website.

Each year, the district conducts a comprehensive curriculum audit certifying that all students have full access to all materials. Additionally, the state and county offices of education select random schools to undergo a visual inspection to determine that the curriculum materials were indeed satisfactory and accessible to the students.

Year and month in which the data were collected: August 2025

School Facility Conditions and Planned Improvements

At the time of the inspection overall condition was good. Small work orders need to be done for poor lighting

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2025

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:

  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2023–24	School 2024–25	District 2023–24	District 2024–25	State 2023–24	State 2024–25
English Language Arts / Literacy (grades 3-8 and 11)	67%	74%	46%	48%	47%	48%
Mathematics (grades 3-8 and 11)	56%	59%	41%	43%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2024–25)

Students with Disabilities	71	67	94.37%	5.63%	25.37%

Note: ELA test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative

Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Safety Plan (School Year 2025–26)

Herman's Safe School Goals Are:

GOAL 1: Provide mental health support for students.

GOAL 2: Herman Intermediate School will create a positive school culture that is predictable and consistent

with clear, school-wide behavioral expectations consistent with Positive Behavior Intervention Systems. By

implementing systematic procedures and explicitly teaching expected behavior, we strive to decrease student

suspensions by 10% and suspensions of students with disabilities by 20%.

Herman's School Safety Plan can be found HERE.?
