2024–25 School Accountability Report Card

Reported Using Data from the 2024–25 School Year

California Department of Education

Phone:	(408) 226-4655	**Grade Span:**	K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

School Description and Mission Statement (School Year 2025–26)

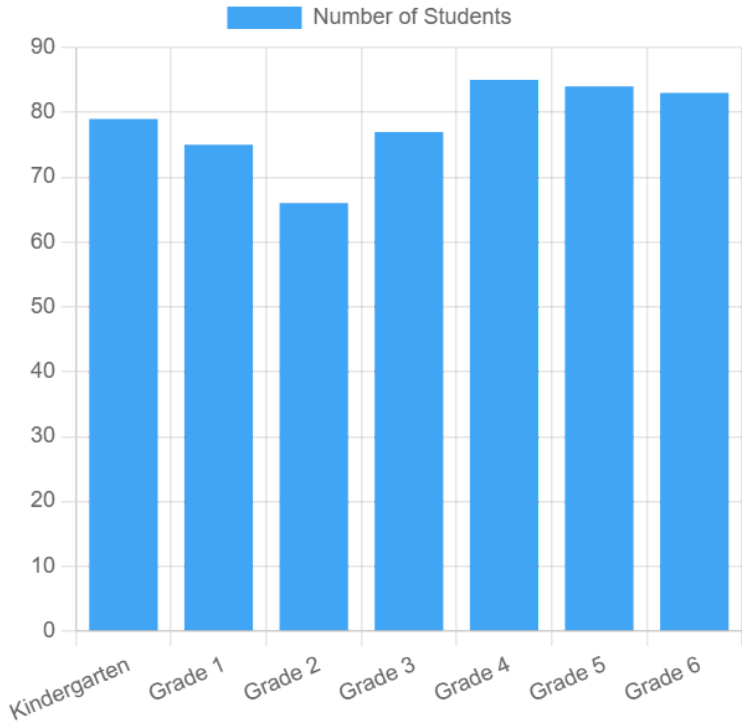

Parkview Elementary School is a comprehensive TK-6 school. It serves approximately 550 students. At Parkview Elementary School, we truly believe in the potential of each and every student. Our core belief is that every child can reach great heights, and it's our mission to equip them with the skills and confidence needed for success at the next academic level. In collaboration with our community partners, we have set these five school-wide goals:
1) Academic Proficiency for All Students: Ensuring that every student achieves academic excellence.
2) Targeted Academic Achievement: Focusing on the academic success of English learners, socioeconomically disadvantaged students, homeless and foster youth, and historically underserved student populations.
3) Inclusive Learning Environment: Maintaining an inclusive environment where every learner's unique identity is honored and supported through differentiated instruction. By removing barriers to success, we ensure that our school remains a place where all students belong and thrive academically and socially
4) Multi-tiered Systems of Support: Implementing multi-tiered systems of support to cultivate a school climate of learning, creativity, safety, and engagement.
5) Family and Community Engagement: Actively involving family and community

members to ensure that all stakeholders contribute to program decisions.

By collectively focusing on these goals, we aim to foster an environment where the entire community collaborates to provide valuable input and contribute to the success of our educational programs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2021–22)

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2025–26)

The district has a board adopted curriculum used by all Sites. The most recent curriculum adoptions can be found at:

https://www.ogsd.net/departments/educational-services/curriculum-instruction-and-assessment/core-curriculum-tk-8th-grade

The data on this page represents the curriculum indicated on the above mentioned website.

Each year, the district conducts a comprehensive curriculum audit certifying that all students have full access to all materials. Additionally, the state and county offices of education select random schools to undergo a visual inspection to determine that the curriculum materials were indeed satisfactory and accessible to the students.

Year and month in which the data were collected: August 2025

School Facility Conditions and Planned Improvements

At the time of inspection, the campus was found to be in exemplary condition with minor work order to replace stained ceiling tiles, a few loose plumbing fixtures, and reattach baseboards.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2025

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2023–24	School 2024–25	District 2023–24	District 2024–25	State 2023–24	State 2024–25
English Language Arts / Literacy (grades 3-8 and 11)	31%	34%	46%	48%	47%	48%
Mathematics (grades 3-8 and 11)	33%	35%	41%	43%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative

Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2025–26)

Parent and student meetings, including, PSCA , ELAC, The Village, Habla, and School Site Council meetings are conducted in person or virtually to encourage increased family participation. Individualized Education Plan (IEP) meetings, Student Success Team (SST) meetings, 504 meetings, and Parent/Teacher conferences are offered in person or virtually to meet parent needs. The utilization of the ParentSquare communication vehicle ensures that parents receive school communication in their desired language. Weekly messages and use of social media are utilized to keep parents informed in a timely manner about school events, activities, and other important information.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2024–25)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety Plan (School Year 2025–26)

Comprehensive Safety Plan is designed to be utilized as a resource and guideline for prevention/mitigation, preparedness, response and recovery planning and training. Parkview's plan includes four safety goals:

1. Increase the percentage of students who feel safe and connected at school
2. School will update the ARCC to ensure adequate necessary supplies in the event of an emergency.
3. Provide mental health support for students.

The safety plan also includes the designated Incident Command System Team, Emergency Response Teams, evacuation maps, and ingress and egress routes. Parkview Comprehensive safety plan was approved virtually by the Parkview School Site Council on December 15, 2025.

Types of Services Funded (Fiscal Year 2024–25)

Parkview site funding was used to purchase programs which could be used from home with high levels of engagement including Iready, RAZ Kids reading and DreamBox math programs. District funding provided access to the NearPod and Leader in Me program to support social emotional learning. In addition, site funding is being used to cover necessary expenses for monthly PBIS rallies and recognized student incentives to promote Parkview's Positive Behavioral Interventions and support (PBIS) motto (Being Safe, Responsible and Respectful). Parkview is also a Leader-in-Me campus, dedicated to imparting essential life skills to our students. Through this curriculum, we focus on teaching the seven habits that foster a happy and well-rounded childhood. Parkview continues to utilize district and outside community agencies for student referrals to counseling support as needed. Technology, updated document cameras, short throw projectors and second monitors were provided to teachers to support student engagement.
