6th, 7th & 8th - Personal Wellness

All students are expected to change into tennis shoes and clothes that empower and enable them to participate in physical activity. Clothing brought from home must meet the expectations for the dress code in school (e.g., not advertising alcohol or tobacco, etc.). Each student will have a separate PE locker assigned to store workout clothing, hygiene products, and personal items (including cell phones).

Aim and Discovery Center-Based Program

Individual IEP case managers will reach out to families with supply needs.
