

SCHOOL COUNSELING PROGRAM 2025-26 END OF YEAR REPORT

SCHOOL COUNSELING DEPARTMENT VISION

The vision of the Beckman Counseling Program is to prepare students to transition successfully from high school to post-secondary education and careers in an ever-changing 21st-century world. Our students will acquire the necessary skills and knowledge in academic, college and career, and social-emotional development so they can contribute meaningfully and productively to society. Our resilient and empowered students will advocate for a society that values compassion, diversity, and positive change in an ever-transforming world.

2025-2026 BECKMAN COUNSELING GOAL

This year, the Beckman High School Counseling Team made it a priority to increase direct services to students by delivering proactive classroom instruction across academic, social-emotional, and college and career topics. We increased our lesson delivery by 60%, from 33 lessons in 2024-2025 to 53 in 2025-2026, covering 29 topics during the Fall semester and 24 during the Spring semester. This progress reflects our commitment to dedicating time for direct services, ensuring more students have consistent access to the support they need to thrive.

BECKMAN HIGH SCHOOL COUNSELING PROGRAM OFFERS A DATA-DRIVEN, COMPREHENSIVE SCHOOL COUNSELING PROGRAM THAT FOCUSES ON ACADEMIC, COLLEGE/CAREER, AND SOCIAL-EMOTIONAL SUCCESS FOR ALL OUR STUDENTS. OUR PROGRAM IS ALIGNED WITH THE AMERICAN SCHOOL COUNSELOR ASSOCIATION (ASCA) MODEL.
