(330) 542-3624/ (330) 542-2159-FAX

June 12, 2026

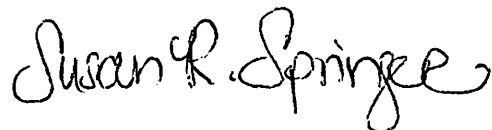

Please be reminded that the Ohio Department of Health currently has immunization requirements that impact all students entering 7th grade for the 2026/2027 school year. All 7th graders are required to have the Tdap, a tetanus, diphtheria, and pertussis booster, and a Meningococcal vaccination within the first 14 days of the start of school.

As with other school immunization requirements, students without the required documentation are subject to exclusion from school as per the Ohio State Law.

The only records we may accept are official records from your child's physician. Please bring or send these records to the school office before Wednesday, September 23, 2026. **After that date students without the proper required immunizations will not be allowed to attend school.**

Please contact Susan Springer, School Nurse, with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Susan R. Springer".

Susan R. Springer, RN, BSN, MSN
School Nurse
