

Summer 2026 STAAR End of Course Interventions

We are pleased to offer additional support for RISD students through STAAR End of Course (EOC) intervention sessions at Quest Academy, June 1 - June 18. These intervention sessions are designed to provide intensive and aligned instruction to give your student the best opportunity to meet the standard during the next testing administration, June 22-25. We ask you to commit to as many hours as possible, but we recommend a minimum of 12 hours of remediation time during the following dates:

Review classes offered June 1 - June 18 for Algebra, English I, and English II:

- Monday - Thursday - 8:00 - 9:30 & 9:30 - 11:00.

Review Classes offered June 8 - June 18 for Biology and US History:

- Monday - Thursday - 8:00 - 9:30

Please follow the link below to register for the STAAR EOC intervention sessions.

[EOC Intervention Sign-up:](#)

Review resources for each of the EOC exams can be found below. Additionally, there is an online course available. Please email me directly if you would like your student enrolled in that course.
