

About Us

Advanced Disability Management Services LLC, is an organization qualified by the Division of Developmental Disabilities (DDD) to provide services to assist individuals with developmental and intellectual disabilities and their families. Our organization will provide support coordination services to bridge resources, supports, and services to the individual, and their families through DDD, and service providers.

Advanced Disability Management Services is also an approved provider for **Employment Services** with New Jersey Division of Vocational Rehabilitation Services (DVRS) to assist individuals with physical, mental, cognitive, or other form of disability that impedes an individual's ability to succeed in competitive employment.
