## Finish Strong! The Countdown is On!

Scotties, the end of the school year is officially in sight! With our last day of school coming up on **Wednesday, June 10**, it's easy to let our minds drift toward summer break, sleeping in, and sunshine.

But before we pack up our lockers, we have a lot of exciting things to do. We started this year with a lot of energy, and now it's time to get to the finish line together.

### Stay Focused, Stay Awesome

It is normal to feel that end-of-year restlessness, but let's keep our focus. Here is how we can make these last few weeks count:

- **Check Your Skyward & Google Classroom:** Keep up with final assignments, projects, and tests. Don't let your grades slip at the final stretch!
- **Keep Up the Good Vibes:** Middle school can get hectic in June. Let's continue to show kindness, respect, and patience to our teachers, staff, and fellow classmates.
- **Finish with No Regrets:** Give 100% effort so you can walk out those doors on June 10 feeling proud of what you accomplished this year.

### Mark Your Calendars: Upcoming Events

When you are here for end-of-year activities, check the lost and found. Any items left after the last day of school will be donated or thrown away.

**REMINDER:** If your student is planning to stay and watch any of the MS home games/meets, they will be meeting in the MS Commons at 2:55 for a study hall. They will be released at 3:35 pm to go directly to the game. *If they stay for after school activities, the closed campus policy is still in effect. They will have school discipline if they go to the Freeman Store.*

**Overcoming Procrastination:** Procrastination is the enemy of a peaceful mind. Putting off a big assignment can cause a lot of stress. Breaking down big tasks into smaller, more manageable steps is a great way to beat procrastination. **Try This:** When a big project is due, help your child set a timeline for the week, with a small part of the project to be done each day.
