Plagiarism, Cheating, & Use of Artificial Intelligence (AI)

- In alignment with our Pack PRIDE values, the West Valley community expects students to strive for excellence, in part, by consistently demonstrating academic integrity and responsibility. Students are expected to complete original work and perform to the best of their ability. Plagiarism and cheating are in direct violation of these expectations.
- Plagiarism is defined as the unauthorized use of someone else's work. This includes claiming work from friends, parents, and tutors as your own. Information from websites, books, or other resources without citation is also plagiarism. Cheating includes copying another's work or allowing your work to be copied..
- See a list of examples below:
 - Copying from another's test paper
 - Using material during a test which is not authorized by the person giving the test
 - Collaborating with another student during the test without authorization
 - Knowingly using, buying, selling, stealing, transporting, or soliciting, in whole or part, the contents of an unadministered test
 - Substituting for another student or permitting another student to substitute for one's self to take a test
 - Bribing another person to obtain a test that is to be administered
 - Securing copies of the test or answers to the test in advance of the test
 - Copying written work from the internet or any other source
 - Copying another student's paper from a school computer or from a printed copy
 - Using online translators in a World Language course
 - Copying programming code
 - Copying the analysis portion of a lab report in science class
 - Taking key words or phrases or facts from an electronic source without properly citing the source
 - Using key words or phrases from a source without placing those words in quotation marks and without placing as in-text citation in the paper at the end of each sentence containing such quotes
 - Placing a citation at the end of a passage in your paper without making clear which of the preceding sentences contain(s) the information taken from the source
 - Documenting only quoted material, but not documenting paraphrased or summarized material
 - Turning in a paper without proper in-text citations or without a Works Cited page
 - Failing to cite a fact that is not common knowledge Downloading a paper from the internet

- Consequences for Plagiarism or Cheating:
 - Students may be assigned classroom disciplinary action in addition to typical behavior intervention.

 - The student will have the option to redo the assignment within a specified period of time for ½ credit OR take a zero on the assignment.
- Click [HERE](#) to review the KCS Artificial Intelligence (AI) Policy.

Technology

WVMS is a 1:1 school meaning that every student will be issued a device as a learning tool. Students may receive a Chromebook to use during the school year. It will be issued in the first weeks of school and collected in the last weeks of the school year. Students will receive the same device each year they are at West Valley. Students should report any problems they are experiencing with the device as soon as possible to the technology secretary in the main office.

Technology Use Expectations

Though the Chromebook is the property of Knox County Schools, students are charged with the care of the device. Each device is assigned to an individual student, and the responsibility for the device rests solely with the student. Aside from the device's physical care, our classroom expectations can be summed up by the reflective question, "Is this for school?"

- Students are expected to use the device solely for classroom learning at the direction of their teachers.
- Only the student who has been issued the device should use it.
- Students should bring their devices to school fully charged each day.
- Students have no right to privacy on a school-issued technology device. It may be collected and inspected at any time.
- Students should not download any program onto their computer unless directed to by a teacher or administrator as a part of classroom instruction.
- Students are expected to back up their work to Google Drive using their Knox County Google account.

Chromebooks

- Every student is issued a KCS Chromebook device for the duration of the school year.
- Students are allowed to take their KCS Chromebooks home for instructional purposes only.
- KCS Chromebook are property of Knox County Schools and can be collected and inspected at any time.
- All students and their parents/guardians must complete the [technology device agreement](#) form on an annual basis for a student to be issued a Chromebook.
- Families may opt into purchasing [Chromebook Insurance](#) on an annual basis. Visit GiveBacks to purchase Chromebook Insurance.
- If students are found to be in violation of the expectations outlined in the technology device agreement and/or school board [policy and procedures regarding appropriate use](#), students may become day users.
 - In instances such as this, students will not be allowed to take the KCS Chromebook home, and alternative arrangements will be made so that the student is still able to access instructional materials for homework, projects, etc. outside of school hours.

- Students should refrain from writing, marking, painting, or adding stickers to school-issued Chromebooks. Markings and stickers are considered intentional damage and not covered by the KCS Device Insurance program and subject to a fine to replace the damaged part.

Chromebooks, Hapara, Qustodio, & Internet Safety

- Hapara
 - Student issued KCS Chromebooks are monitored at all times during the school day when connected to the KCS WiFi.
 - Teachers have access to the online monitoring platform, Hapara, to monitor and guide student computer use during instructional time.
- Qustodio
 - All parents/guardians have access to Qustodio. This App allows parents/guardians to supervise the online activities of their child on their school-issued device.
 - The Qustodio Parent App allows parents to set screen time limits, filter content, manage app access, and monitor YouTube usage on a personal device. Parents/guardians can also upgrade to Qustodio Premium for additional features like location tracking and call monitoring.
 - Click [HERE](#) to learn more about the App.
- Internet Safety
 - All students will be provided with the opportunity to engage in Digital Literacy & Citizenship lessons on an annual basis. Through these lessons, students will engage in reflective learning and dialogue related to appropriate, responsible, and effective use of digital platforms; internet safety; healthy technology habits; etc.
 - Click [HERE](#) to review resources from the KCS Internet Safety Hub.
 - Click [HERE](#) to review the KCS Internet Safety Policy.

Lockers

- Students are not required to have a locker but may request a locker from their homeroom teacher during the first full week of school.
- In order to receive a locker, students must show that they have a lock and have a signed parent permission slip.
- Students may purchase locks and the combination or a duplicate key must be given to the homeroom teacher.
- Students will be permitted to visit their locker at designated times throughout the school day.
- Lockers are property of KCS, so students are not allowed to make any permanent alterations to the locker.
- If there is a problem with the locker, the student needs to report this to their homeroom teacher so that it can be addressed/repared as soon as possible.

Book Bags/Backpacks/Purses

- Students are permitted to carry a book bag/backpack/purse throughout the school day.
- Students are responsible for all items in their book bag/backpack/purse. We encourage all students to leave valuable items at home. West Valley does not assume responsibility for lost and/or stolen personal items.

- Student bags must fit completely under the chair area of the desk or in a teacher designated area of the classroom.
- Laptop bags are permitted in classrooms.

Dress Code ([J-260](#))

- The following expectations for student dress code in middle and high schools have been established to promote a safe and optimum learning environment.
- Apparel or appearance which tends to draw attention to an individual rather than to a learning situation must be avoided. In matters of opinion, the judgment of the principal/designee shall prevail.
- The following standards will be observed in all Knox County Middle and High Schools:
 1. Pants must be worn at the waist. No sagging allowed.
 2. Shirts, blouses, and dresses must completely cover the abdomen, back, and shoulders and must have sleeves. Shirts or tops must cover the waistband of pants, shorts, or skirts with no midriff visible. Low-cut blouses, shirts, or tops or extremely tight tops, tube tops, or any top that exposes cleavage are prohibited.

 4. Footwear is required and must be safe and appropriate for indoor and outdoor activity.

 6. Skirts, dresses, and shorts must be beyond mid-thigh length.
 7. Sleepwear, pajamas, and/or blankets cannot be worn in school.
 8. Prohibited items include (1) large, long and/or heavy chains, (2) studded or chained accessories, (3) sunglasses, except for health purposes, (4) sleepwear, and (5) skin-tight outer materials without appropriate coverage.
- The school administration reserves the right to determine whether the student's attire is within the limits of decency and modesty. Administration should strive for consistency so the dress code is applied evenhandedly to male and female students.
- The principal may allow exceptions in special circumstances or occasions such as holidays or special performances and may further prescribe dress in certain classes such as physical education, vocational classes, and science labs.
- Any student not attired in accordance with this policy shall be subject to correction of the violation. If a correction cannot be made, the student shall be subject to additional disciplinary measures as described in Policy J-191 "Misbehaviors and Disciplinary Options."
- This policy does not preclude individual schools from implementing standardized dress policies with permission from the Director of Schools and the Board of Education after extensive consultation with parents, teachers, and students. Any deviation from the system-wide policy must be submitted in writing to the Assistant Superintendent of Academics for review and recommendation to the Director of Schools and the Board of Education.

School Fees

- Knox County Schools and West Valley strive to provide excellence for every child. Our commitment to rigorous instruction and student success continues to drive all our work. Because of this, it is necessary to assess a school fee to help us maintain our culture of excellence and support our goals of ensuring our students are academically successful, college and career ready, economically competitive, and personally fulfilled. Our teachers and staff are committed to providing the best education to all our students, and we know we cannot do it without the support of our families.
- **The standard Knox County Middle School Fee for the 2026-2027 school year is \$35.**
- These funds will be spent on technology, non-consumable materials, equipment (calculators, batteries, etc.), and instructional support (publications and consumable materials to support learning in all subject areas).  - They will be held on the following days:
 - September 16, 2026
 - November 18, 2026
 - January 27, 2027
 - March 24, 2027

Schedule Changes

- Teachers make course recommendations the spring prior that are based on base-line district requirements and specific data-driven criteria.
- To change a class level in a core class, a student and his/her parent/guardian needed to have filled out the academic release form this past Spring. **No new academic releases** will be entertained in the Fall of 2026 for the 2026-2027 school year.
- Schedule changes will only be made if there is an error or if there is a gap in the schedule.
- We do not accommodate requests or non-requests for specific teachers, and we cannot accommodate requests for your child to be in classes with another specific child.

Interventions & Supports

- If a parent/guardian has concerns about the academic performance of his/her student, the following interventions are available:
 - Referral to Whole Child Support Team (WCST) (by parent, teacher, staff member, administrator, counselor, etc.)
 - Increased supports through the counseling center, restorative interventionist, and/or classroom teachers
 - Formal referral to S-Team and/or Response to Instruction and Intervention (RTI2)

S-Team

- S-Team stands for Student Support Team. This is a formalized support plan for students who may be struggling academically, mentally, socially, emotionally, or in terms of attendance.

- An S-Team with Instructional Support Strategies must be initiated before an IEP or 504 Plan is enacted.
- These steps are not always enacted in order and can occur over a significant time span due to monitoring of specific interventions. A parent/guardian may request an S-Team be considered through his/her student's grade level administrator.

Parent Conferences

- Conferences between administrators, teachers, and parents are encouraged and should be set up by appointment by contacting your child's grade level administrator.
- Please email the grade level administrator or call the school office to set up a conference with a teacher and administrator.
- Should you like to schedule an appointment with the grade level counselor or grade level administrator, you may also call the main office or email the grade level administrator and/or counselor directly.

Classroom Concern Resolution

- In the event that you have an issue that occurs within a classroom, the following steps will be taken to resolve the concern:
 - Parent/teacher communication via phone or email
 - Parent/teacher/student/administrator conference
 - Further steps as deemed appropriate by administration including but not limited to restorative intervention(s), S-Team, safety plan, support contracts, specific plan of action, etc.

Care of Property, Building, and Grounds

- Students are expected to take care of all school property. We encourage all students to help protect the school by discouraging, preventing, and reporting vandalism or property damage by others.
- Parents or guardians are responsible for any damage the student might do to computers, furniture, lockers, books, and other property of the school system.
- If students willfully destroy school property, suspension may be necessary in addition to payment for damages. If a student should happen to damage something by accident, the student is responsible for repair or replacement without additional consequences when the accident is reported to a teacher or administrator immediately.

Lost and Found

- Unclaimed items found in the school should be taken to the main office. Students may reclaim lost items at this location or in the School Counseling Center. Unclaimed items will be disposed of/donated periodically throughout the school year.

Athletics

Sports Physical Requirement

- All students are required to have a completed Knox County Sports Physical **before** trying out for a school sport.

- Community-based teams vary year-to-year and may require a sports physical for tryouts and/or participation (ex. volleyball, soccer, swim, tennis, golf, cross country, baseball, softball, football, etc.) **These are not West Valley Middle School sanctioned teams.**
- Some KCS middle school sanctioned sports occur in the fall (basketball, cheerleading, and dance team) and others occur in the spring (track and field for both boys and girls).
- Please make a copy of your child's physical form for your files.
- Physical forms can be found on our website or in the office.

Academic Policy for Grades

- Students who participate in KCS sanctioned sports (basketball, track, dance, and cheer) must meet academic qualifications of a "C" average.

Athletic Events

- WVMS hosts the following Knox County Middle-School sanctioned teams:
 - Boys basketball
 - Girls basketball
 - Cheer
 - Track & Field
- We often host games, matches, and competitions at WVMS and students are encouraged to participate.
- Students should listen to announcements and look for school posters and advertisements for athletic events.
 - Staying for athletic events: Students are allowed to stay after school for basketball games and are to be picked up immediately following (approximately 6:45 pm - 7pm). Students will be supervised in the cafeteria until dismissed to the gym for games.
 - Tickets: Students will purchase tickets at the door. Pricing is set by KCS and is shared with students when the season begins.
 - Pick-up: Students are to be picked up at the front of the school building immediately following the conclusion of the game. Students that are not picked up in a timely fashion may lose the privilege of attending future games.
- Track Meets are held in the spring. Meets are held at various high schools across the district. Be sure to listen to announcements for the schedule.
- KCS sponsored sports may qualify for a middle school level state tournament in cross country, basketball, and track and field for the 2025-2026 school year.
- Non-KCS middle school sanctioned community teams (e.g., cross country, soccer, volleyball, golf, swim, etc.) are not overseen nor sponsored by West Valley Middle School.

Schedules

- Schedules will be distributed to students on the first day of school.
- Students may view their schedules using Parent Portal (Aspen) prior to this day.
- Please know that schedules are subject to change within the first weeks of school due to student needs and enrollment.

Library Hours

- Beginning the second full week of the school year, the Library is open to students from 7:30 am to 8:15 am until capacity is reached. Once a student has signed into the Library, he/she must remain in the Library until dismissal to Homeroom.
 - On Mondays, Wednesday, and Fridays, students may also visit the library from 8:10 am on as long as they have 1) checked in with their homeroom teacher, 2) have a “Library” reason to be in the space (e.g., returning a book, checking out a book or magazine, doing homework or research, choosing a coloring sheet for the day, or working on a Maker Space project), and 3) received a Library pass from their homeroom teacher.
 - On Tuesdays and Thursdays, students can come and chat with friends, play games (e.g., chess, Go, etc.).
 - Students will be required to leave the library for Homeroom between 8:15 am and 8:20 am.
- NOTE: In order to prevent unnecessary hallway traffic before 8:10 am, students may not leave the gym to go to the library.

Library Books: Check-Outs & Fines for Overdue, Damaged, & Lost Books

- Students may check out up to three books at a time. Books must be returned or renewed within three weeks.
- Students may renew books online through the Library Course, in person in the Library, or by contacting the Librarian, Ms. Getz, via Canvas message.
- Three grace days are provided for each checked-out book. This means that if a book is due on Monday, overdue fines do not begin to accrue until Thursday.
- Fines for overdue books are \$0.05 per book per day.
- If a student prefers to work off or read off a fine, the student may reach out to Ms. Getz to indicate the preference for approval. If West Valley is running a collection drive (e.g., canned food drive, toy drive, etc.), students can also provide an item (e.g., one can) per dollar owed if that is preferred by the student. Fines stop at \$5.00 per book.
- Books that are lost must be replaced through payment or by purchasing a hardback copy of the lost or damaged book. If providing a replacement book, the book must be in good condition (e.g., no worn covers, damaged pages, etc.). If a student purchases a replacement for a lost book, the additional fine will be voided.
- Regarding audiobooks: Audiobooks are expensive to replace, often costing \$30.00-\$50.00. Encourage students to be cognizant of this responsibility if they choose to check out audiobooks.
- Within the first few weeks of the school year, students will visit the Library for Library Orientation. During this time, students will learn how to create Library book due date reminders that will populate on the student’s Chromebook. We encourage all students to be proactive in assuming responsibility for Library books and materials.

Special Activities

Field Trips

- Individual grades and clubs may host special trips for students.
- Guidelines and requirements for these trips will be given to students and parents prior to sign ups or initial payments.

Awards Day

- Each grade level will host an awards day at the end of the year.
- Grade level teachers work independently to reward academics, behaviors, and growth in each of their respective subject area classes.
- Additionally, grade level teams work collaboratively to recognize students for collective grade level awards.
- Please note that our recognitions, monthly and annual, are based on our current students' performance.
- Due to typical enrollments of over 400 students per grade level, teachers do their best to recognize students representing exemplary academic, behavior, leadership, and growth on a monthly basis. Throughout the year, "Students of the Month" award-winning students are not only given school-wide recognition on the morning announcements, but also given recognition that is shared on grade level announcement media centers that run daily during school hours. Therefore, all students may not receive a recognition on awards day in May.

Student Meetings (Assemblies)

- Entering and leaving an assembly should be done in a quiet and orderly way. Students are expected to be courteous and respectful at all times.

After-School Activities

- After-school functions are for the benefit of the students. Students are expected to remain in the area of the building in which the event is occurring under the direct supervision of a staff member. Immediately at the conclusion of the event, students must report to the front of the school building for pick up.
- If late pick up becomes an issue, the school administration reserves the right to prohibit a child from attending future after school functions. Participation in all after school functions is contingent on maintaining "good-standing" in regards to discipline and academic performance.

Activities Exclusions

- Many activities are planned each year to enrich the middle school experience for our students. These activities include assemblies, field trips, guest speakers, athletics, field days, positive behavior parties, dances, clubs, etc.
- These activities are considered privileges and student participation/attendance is based on the demonstrated ability to properly conduct one's self.
- Exclusion from certain or all activities for some period of time may be imposed by staff or administration on students who fail to conduct themselves appropriately in classes or at previous activities.

- Please be advised that students serving out-of-school suspension are automatically excluded from all school activities during that time per KCS board policy. Additional requirements to participate will be shared prior to the activity.
- If you have any questions, please contact the sponsor or responsible staff member.

Discipline

It is the belief of the Knox County Board of Education and the faculty and staff of West Valley Middle School that only the highest standards of discipline and self-control are acceptable. All students are provided a safe and clean atmosphere in which to work and grow. Therefore, the staff of West Valley Middle, in conjunction with students and parents, will strive to provide the necessary atmosphere and culture that allows students to reach their maximum potential.

School-Wide Expectations

Our school-wide expectations are:

- 1) Be POSITIVE.
- 2) Be RESPECTFUL.
- 3) Have INTEGRITY.
- 4) Be DEDICATED.
- 5) Show EXCELLENCE.

We expect all students to demonstrate Pack PRIDE. Please see school-wide Pack PRIDE expectations for the classrooms, cafeteria, and hallways below.

Each grade level of teachers establishes general rules and expectations, consequences for breaking rules or not meeting expectations, communication to inform parents of inappropriate behavior, and rewards for positive behavior. Students and parents need to become familiar with his/her child's grade level rules.

Administration follows KCS School Board Policy [J-190](#) for all disciplinary decisions.

- Bus drivers shall inform a student's principal of any serious discipline problem and the principal may take disciplinary action as appropriate. A student may be denied the privilege of riding the bus if the principal determines that the student's behavior is such as to cause disruption on the bus, or if the student disobeys state or local rules and regulations pertaining to student transportation.
- The suspension of a student from riding the school bus shall follow the same procedures as for any other school suspension.
- Students who transfer from bus to bus while en route to and from school shall be expected to abide by the discipline policies adopted by the Board and rules adopted by the staff of the base school.

Bus Hall Expectations

- Students riding 2nd load buses should report immediately to the cafeteria and sit in the designated area.

- Once in the cafeteria, students are required to have permission from a bus hall monitor to get up from his/her seat and/or leave the cafeteria.
