Great place, nicely designed, spacious, well equipped, quiet, yet a few steps from the excellent eateries of Holywood and the coast. Good location to explore Belfast and other parts of Northern Ireland. Was super clean and Brian, the host, was quick to respond. Would very much recommend.

Absolutely loved our stay in Holywood we were visiting from Scotland and have absolutely no bad words to say about this place at all. Brian was more than helpful and I can't be more grateful for him being able to accommodate us in such short notice due to our first booking cancelling on us. The house had everything and more you could have asked for. Highly recommend staying here and I will be coming back when we next visit Belfast. Thanks again :)

If your stay felt just as considered, we'd be grateful if you shared a few words too.
