DISCLAIMER STATEMENT

This employee handbook has been prepared for informational purposes only. None of the statements, policies, and administrative guidelines, rules, or regulations contained herein constitutes a guarantee of employment, a guarantee of any other right or benefit, or a contract of employment, express or implied. The District's bus drivers' employment with the Board may be terminated or non-renewed consistent with the terms of the contract and consistent with Board Policy and state law.

Furthermore, any bus driver who violates any of the terms and conditions of employment set forth in this employee handbook may be subject to disciplinary action in accordance with:

Board Policy #404-R(1) – Employee Conduct and Appearance - Employee Code of Conduct and Progressive Discipline

The Union and District will form a joint Handbook Committee whose purpose shall be to review and make recommendations through the meet and confer process to the Board regarding conditions of employment contained in the employee handbook. The board shall approve the Employee Handbook on an annual basis. On/before April 15th of each year, this committee shall make recommendations to the board regarding the content of the handbook that will go into effect the following July 1st.

A. Representation

The Handbook Committee will have representation with the District and the association, each selecting its own representatives. The Union president, or designee, shall serve as the lead representative of the Union team. The District superintendent shall serve as the lead representative of the District team.

B. Frequency

The Handbook Committee will meet at least monthly from August through December, and twice a month January through May. An adjustment to this schedule will be mutually agreed upon, with the full meeting schedule set in August.

This employee handbook supersedes any and all previous handbooks, statements, policies and administrative guidelines, rules, or regulations given to employees, whether verbal or written.

Whenever any words are used in this handbook in the masculine gender, they shall also be construed to include the feminine or neutral gender in all situations where they would so apply, and whenever any words are used in the singular, they shall also be construed to include the plural in all situations where they would so apply, and wherever any words are used in the plural, they shall also be construed to include the singular.

This handbook does not encompass all employment policies or staff guides.

STATEMENT OF PHILOSOPHY

This employee handbook is devoted to the board's goals and objectives for personnel in the performance and benefits of the job. School District personnel provide an important service for the students of the school District community. Personnel may be teaching or assisting in the classroom, working in the office, maintaining the facilities, driving or repairing the school buses, or cooking lunches. Each school District employee plays a vital role in providing an equal opportunity for a quality education for students commensurate with their individual needs. While the teachers have the most direct impact on the formal instruction of students, all school District personnel have an impact on the school environment by the employee's dedication to work, the employee's actions and the employee's manners. As role models for the students, school District personnel shall strive to promote a cooperative, enthusiastic, and supportive learning environment for the students.

In striving to achieve a quality education program, the board's goal will be to obtain and retain qualified and effective school District personnel. The board shall have complete discretion to determine the number, the qualifications, and the duties of the positions and the school District's standards of acceptable performance. It shall be the responsibility of the superintendent to make recommendations to the board in these areas prior to board action.

Board policies in this series relating to general personnel shall apply to school District personnel regardless of the position as licensed or support personnel. Board policies relating to licensed personnel shall apply to positions that require a teaching certificate. Support personnel policies included in this series shall apply to positions that do not require a teaching or administrative certificate. The board recognizes the right of employee groups to organize under Chapter 20, Code of Iowa, for the purposes of collective bargaining.

CHAIN OF COMMAND – ORGANIZATIONAL CHART

The chain of command is the formal line of authority, communication, and responsibility within the District.

Board Policy #309 – Authority and Communication Channels

PURPOSE

The primary goal is the development and operation of an educational program of the highest quality for the benefit of students and the community.

EMPLOYMENT

EQUAL EMPLOYMENT OPPORTUNITY

The Board of Education does not discriminate in the employment of bus drivers on the basis of any characteristic protected under State or Federal law including, but not limited to: race, color, age, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in Iowa law), sexual orientation, national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, or declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters or any other characteristic protected by law in its employment practices. If a bus driver has questions regarding Equal Employment Opportunity or how to file a complaint regarding equal employment (s)he should refer to:

Board Policy #401.01 - Equal Employment Opportunity

ANTI-HARASSMENT POLICY

The Board of Education is committed to a work environment that is free of harassment of any form. The board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

For purposes of anti-harassment, “school District community” means individuals subject to the control and supervision of the board, including, but not limited to, students, teachers, staff, volunteers, and board members. “Third party” means individuals outside the school District community who participate in school activities and events authorized by the board, including, but not limited to, visiting speakers, participants on opposing athletic teams, and vendors doing business with, or seeking to do business with, the District.

Harassment consists of unwelcome conduct, whether verbal, physical, or visual, that is based on a person’s protected status, such as sex, color, race, ancestry, creed, religion, genetic information, national origin, age, handicap, disability, marital status, veteran status, citizenship status, sexual orientation, arrest record, conviction record, or other protected group status, which affects tangible job benefits, interferes unreasonably with an individual’s work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, student-to-employee, male-to-female, female-to-male, male-to-male, or female-to-female.

The District Administrator has prepared written administrative guidelines for bus drivers to follow when reporting alleged harassment. The process that will be followed when conducting an investigation regarding alleged harassment that is prohibited is also set forth in these administrative guidelines.

Board Policy #401.15 - Employee Anti-Harassment

Board Policy #401.02 - Employee Conflict of Interest

It is imperative that professional staff members avoid situations in which their personal interests, activities, and associations may conflict with the interests of the District. If a bus driver is involved in an activity that threatens that staff member’s effectiveness within the school system, the District Administrator shall evaluate the impact of such interest, activity, or association upon the bus driver’s responsibilities.

For more information regarding the board’s expectations concerning interests, activities or associations that may conflict with the interests of the District, bus drivers should review the following:

Unless directed by administration, employees shall not act as the District's custodian of records or disseminate confidential information. State and federal laws govern the collection, maintenance, and dissemination of confidential information. As a result, the improper and unauthorized disclosure of confidential information may constitute a violation of the law. A. Layoff Procedures

The employer, for any reason, may determine that it is necessary to reduce the number of regular routes. If employees must be laid off, the employer shall determine which employees are to be retained according to the following procedure.

1. The District shall post a seniority list by October 1, with the last date of hire as a permanent employee and the first day of hire as a substitute.
2. The employees with the least total seniority shall be laid off first. Seniority will be determined by the total number of years of continuous regular bus driving service to the District. In case of ties, the first seniority tie breaker shall be determined by the date the driver began working as a substitute driver for the District, and if a tie still remains, the employees shall draw lots to determine the employee who will be laid off.
3. If an opening occurs within one (1) year of the layoff, the employees will be re-employed in the inverse order of layoff.
4. Employees on layoff shall notify the Director of Operations, or his designated representative, of their availability for recall and must keep their addresses and phone numbers known to the employer. Any change of address must be in writing.

- 5. Laid-off employees must report for work within three (3) days after notice is sent by certified or registered mail to the employee's last known address informing him or her to report for work. If an employee does not report as required under this Section, the employee shall suffer a loss of seniority, and the employment relationship may be broken and terminated.
- B. Employees on a temporary leave of absence retain their seniority rights.
- C. This article pertains to morning, evening, and activity routes only. Should a reduction in activity routes be necessary, it shall be in reverse order of length of continuous service driving activity routes.
- D. This article does not restrict the employer's right to assign in any way.

A grievance is a claim by an employee, a group of employees or the Union that there has been a violation, misinterpretation, or misapplication of any provision of the agreement or handbook.

2. Aggrieved Person

An “aggrieved person” is the person or persons or the Union making the complaint.

3. Party in Interest

A “party in interest” is the person or persons making the complaint and any person, including the Association or the Board, who might be required to take action or against whom action might be taken in order to resolve the complaint.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest; the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter.

3. Level One - Principal or Immediate Supervisor (Informal)

An employee with a grievance shall first discuss it with his principal or immediate supervisor, either directly or with the Association's designated representative, with the objective of resolving the matter informally.

The appropriate principal or immediate supervisor shall indicate his disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the Association.

If the aggrieved person or the Association is not satisfied with the disposition of the grievance or if no disposition has been made within the five (5) school day period, the grievance shall be transmitted to level three within ten (10) school days of the step two answer.

5. Level Three – Superintendent

within five (5) school days of disposition of the grievance to discuss the merits of submitting the grievance to appeal to the School Board.

- b. If the association determines that the grievance is meritorious, it may submit the grievance to appeal to the school board within five (5) school days of the superintendent's step three answer.

When an employee is not represented by the Union, the Union shall have the right to be present at all formal levels as a party of interest and shall have the right to grieve any adjustment of the employee's complaint, starting at step one of the grievance procedure, if such adjustment is inconsistent or contrary to the provisions of this agreement.
