Southside Elementary School ACIP 2025-2026

Southside Primary School

Vision

The vision of Southside Elementary School is to create a culture of learning by focusing on state standards, teacher collaboration and student data to guide all students to reach their maximum educational potential which will be displayed through PRIDE.

Mission

Southside Elementary School's mission is to educate students to be productive, well-rounded, and successful by providing a staff that uses learner guided/data driven instruction and research based techniques in order to teach a curriculum that is meaningful, challenging and appropriate.

Beliefs

ALL students can learn, achieve and succeed.

Students learn in different ways and should be actively involved in the learning process.

A safe and physically comfortable environment promotes students' learning.

Instructional practices should incorporate the school's mission.
